PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Wash hands with soap and water after handling. Do not contaminate water by cleaning of equipment or disposal of wastes.

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product has not been cleared for use on objects which come into contact with food or food products.

[For Pouches of 10 grams Each:]

To inhibit the growth of mold and mildew in paint, water based wallpaper adhesives, and water based adhesive, add one pouch (10 grams) Super Mildex to one (1) gallon paint or adhesive. Mix thoroughly and then use the paint or adhesive as directed.

[For Finger Pump Containers of 1,000 grams Each:]

To inhibit the growth of mold and mildew in paint, water based wallpaper adhesives, and water based adhesive, add two (2) pumps (10 grams) Super Mildex to one (1) gallon paint or adhesive. Mix thoroughly and then use the paint or adhesive as directed. Contains enough Super Mildex to mix with 10 gallons of paint or adhesive.

STORAGE: Store in original container in a dry locked area inaccessible to children and pets. **DISPOSAL:** Do not reuse empty container. Wrap in newspaper and discard in trash.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling if contrary to label instructions.
