

## UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

WASHINGTON, D.C. 20460

OFFICE OF  
PREVENTION, PESTICIDES  
AND TOXIC SUBSTANCES

Guardsman Products, Inc.  
c/o Ms. Kim Davis  
Reg West Company  
30856 Rocky Road  
Greeley, CO 80631-9375

DEC 27 2001

Dear Ms. Davis:

Subject: Amendment - Comply with 2000 Diazinon MOA;  
Delete office buildings, Schools, Hotels,  
Motels, Warehouses, Theaters, Factories,  
Farm Buildings (including dairy barns and  
milk parlors), Barns, and Outbuildings  
Update First Aid per PR Notice 2001-1; and  
Update CSF/replacement diazinon source  
Bug Stuff  
EPA Registration Number 62366-2  
Your submission dated June 26, 2001

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(a), is acceptable provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
  - a. On the front panel revise the site limitation "For Homes" to read "For exterior use on homes only".
  - b. In the Hazards to Humans & Domestic Animals, replace "May be absorbed through skin." with "Harmful if inhaled or absorbed through skin.". Also, revise "Wash thoroughly after handling." to read "Wash thoroughly with soap and water after handling and before smoking or eating.".
  - c. In the third sentence of the Note to Physician, add "but only" after "administered".
  - d. In the Environmental Hazards, replace the sentence beginning "For terrestrial uses..." with just "Do not apply directly to water." Also, you may delete the last 3 sentence of this section since they deal with the hazards to bees relative to foliar applications to plants.

- e. Under the heading Directions for Use, slightly revise the reformulation prohibition to read "Reformulation of repackaging of this product is prohibited."
  - f. In the outline box holding the storage and disposal directions, add the heading Storage and Disposal. Please be aware that there are minimum type size requirements for this heading.
3. Submit three (3) copies of your final printed labeling before you release the product for shipment.
  4. Comply with all applicable provisions of the 2000 Memorandum of Agreement Regarding Pesticide Products Containing Diazinon (i.e., the Diazinon MOA). In accordance with the Diazinon MOA you have requested the following revisions to the conditions of registration for this diazinon product with outdoor non-agricultural (i.e., home and garden) uses:
    - a. You have requested under section 6(f) of FIFRA that this registration be voluntarily canceled on a date not later than December 31, 2004.
    - b. You may not manufacture, label, or release for shipment this product after June 30, 2003.
    - c. You may not sell or distribute this product after August 31, 2003.
    - d. The registration for this product shall expire and be canceled on December 31, 2004.
    - e. You will send to every person who directly purchases this product (i.e., to every seller) a notification of Product Recovery Program to be conducted by Syngenta and Makhteshim after December 31, 2004.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

The Basic Confidential Statement of Formula (CSF) dated June 26, 2001 which identifies a replacement diazinon source Manufacturing Use Product is acceptable and has been added to this product's registration file.

Sincerely,

George T. LaRocca  
 Product Manager 13  
 Insecticide Branch  
 Registration Division (7505C)

**BUG STUFF™**

Paint Additive Insecticide

Controls Flying and Crawling Insects  
Add to Paint or Stain

For Exterior Use Only in Latex Paint (Water Base), Oil Base Paints and Stains

For Homes

**For Exterior Use Only**  
**Do Not Open Pouch [Container] Except for Immediate Use**

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans & Domestic Animals**

**WARNING:** May be fatal if swallowed. May be absorbed through skin. May be irritating to the eyes and skin. Avoid contact with skin and eyes. When mixing this product for application wear chemical resistant gloves. When applying this product wear a dust mask (particle mask). Wash thoroughly after handling. Do not wear contaminated clothing. Keep away from food, feedstuffs and water supplies. Handle concentrate in a ventilated area. May cause contact sensitization following repeated contact with skin in susceptible individuals. Avoid repeated contact with skin. If sensitization reactions result, consult a physician.

**First Aid**

This product contains diazinon, an organophosphate insecticide that inhibits cholinesterase.

<b>If Swallowed</b>	<ul style="list-style-type: none"> <li>• Immediately call a poison control center or doctor for treatment advice.</li> <li>• Have person sip a glass of water if able to swallow.</li> <li>• Do not induce vomiting unless told to do so by the poison control center or doctor.</li> <li>• Do not give anything by mouth to an unconscious or convulsing person.</li> </ul>
<b>If on Skin or Clothing</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Immediately rinse skin with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If in Eyes</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If Inhaled</b>	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.</li> <li>• Call a poison control center or doctor for further treatment advice.</li> </ul>
Have the product container or label with you when calling a poison control center or doctor or going for treatment. [You may also contact 1-800-255-3924 (Chemtel) for emergency medical treatment information.]	
<b>Note to Physician:</b> This product is an organophosphate insecticide. If symptoms of cholinesterase inhibition are present atropine sulfate by injection is antidotal. 2-PAM is also antidotal and may be administered in conjunction with atropine.	

{Note: The first aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}

**Physical or Chemical Hazards**

Flammable. Do not use or store near heat or open flame. Do not ship or store with food, feeds, drugs or clothing.

**Environmental Hazards**

This product is highly toxic to birds, fish and other wildlife. Birds feeding or drinking on treated areas may be killed. Keep out of lakes, streams, ponds, tidal marshes and estuaries. For terrestrial use, do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. This pesticide is highly toxic to bees exposed to direct treatment or to residues on blooming plants where they feed. Do not allow this pesticide to drift to blooming plants if bees are visiting the treated area. Do not apply this product or allow it to drift to food crops or any desirable vegetation at any time.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Reformulation or repackaging this product is prohibited.**

**Storage:** Do not store below 10°F (-12°C). Store in a dry, locked area inaccessible to children and pets. **Disposal:** Do not reuse empty container. Wrap in newspaper and discard in trash.

Read Entire Label. For complete *Directions for Use* remove upper label.

Use to control flying and crawling insects on exterior surfaces of homes. Kills by contact flies, mosquitoes, spiders, ants, ticks, mites, earwigs, fleas, silverfish, chiggers and boxelder bugs.

{For product sold in one ounce pouches:}

**Mixing Directions:** Add one full pouch to one gallon of Latex water base paint, oil base paint or stain, then mix well to ensure proper dilution. Do not add more than one ounce per one gallon of paint.

{For product sold in five ounce containers:}

**Mixing Directions:** Add one full container (5 oz.) to five gallons of Latex water base paint, oil base paint or stain, then mix well to ensure proper dilution. Do not add more than five ounces per five gallons of paint.

Liability is limited to replacement of product or refund of purchase price.
