

# VIVA PLUS KITCHEN SANITIZING CLOTHS

VIVA PLUS KITCHEN SANITIZING CLOTHS MAKE KITCHEN CLEANUPS AT HOME A BREEZE

The makers of VIVA towels bring you VIVA PLUS, the disposable cloths you just wet and wipe to make daily kitchen cleanups a breeze! VIVA PLUS Kitchen Sanitizing Cloths are specially formulated to remove dirt and grease and to kill household germs in sinks, on counter and stove tops and on appliances. VIVA PLUS cloths are not for cleaning and sanitizing eating utensils, glassware or cookware. Use VIVA PLUS Sanitizing Kitchen Cloths after meals to leave your kitchen sparkling clean and fresh.

## INSTITUTIONAL USE

VIVA PLUS KITCHEN SANITIZING CLOTHS contains a phosphate free formulation designed to provide effective cleaning, deodorizing, sanitization and disinfection specifically for homes, schools, nursing homes, food service establishments and other institutions where housekeeping is of prime importance in controlling the hazards of cross contamination.

VIVA PLUS KITCHEN SANITIZING CLOTHS when used as directed, are formulated to sanitize, clean and disinfect counter and stove tops, appliances, telephones and hard, non-porous, inanimate surfaces such as walls, floors, sink tops, sinks, table, chairs and telephones. This product is designed to provide general cleaning, disinfecting and sanitizing.

VIVA PLUS KITCHEN SANITIZING CLOTHS deodorize those areas which generally are hard to keep fresh smelling such as sinks, counter tops, garbage areas and other areas which are prone to odors caused by microorganisms.

EPA Reg. No. 62401-2      Net Contents: 24 towels (120 sq.)

36 towels (120 sq.)

EPA Est. No. 62401-NC-001

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Thoroughly saturate a VIVA PLUS cloth with water and squeeze to activate the special cleaning and sanitizing formula that lets you kill household germs every time you cleanup. Allow cleaned surface to air dry for maximum sanitization. Dispose of soiled cloths in trash container.

To clean and sanitize heavily soiled surfaces (baked-on grease, etc.), remove the debris before using VIVA PLUS Kitchen Sanitizing Cloths.

INSTITUTIONAL USE

DISINFECTION:

To disinfect hard, non-porous, inanimate surfaces, saturate a PLUS KITCHEN SANITIZING CLOTHS with an ounce (28ml) of water. Squeeze several times to activate the cleaning and disinfecting chemicals. Apply to surface being sure to wet surface thoroughly, allow to air dry (at least 10 minutes). Prior to use of this product, remove any gross filth or heavy soil.

For larger cleaning and disinfecting jobs, add water to VIVA PLUS KITCHEN SANITIZING CLOTHS according to the following Use Dilution Chart.

<u>#Towel</u>	<u>Amount of Water</u>	<u>#Towels</u>	<u>Amount of Water</u>
1	1oz (28ml)	3	3oz (84ml)
2	2oz (56ml)	4	4oz (112ml)

SANITIZATION

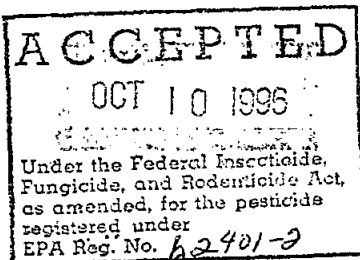

To Clean and Sanitize hard, non-porous, inanimate surfaces, saturate a VIVA PLUS KITCHEN SANITIZING CLOTH with one ounce of water (28ml).

To clean and sanitize heavily soiled surfaces, visible food particles and other gross debris should be thoroughly removed before using the cleaning and sanitizing towels. Use a saturated or dampened towel to clean and sanitize pre-cleaned non food contact surfaces. Allow surface to air dry. (At least 10 minutes)

Cleaning of any food contact surface must be followed by a potable water rinse.

VIVA PLUS KITCHEN SANITIZING CLOTHS are not for cleaning and sanitizing utensils, glassware or cookware.
