U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

62451-4

Date of Issuance:

December 7, 2001

Term of Issuance: **Conditional**

Name of Pesticide Product:

AntGuard™ Coasters and Covers

NOTICE OF PESTICIDE:

Registration

Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

LineGuard, Inc.
P.O. Box 1020
Elyria, OH 44036

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of you product under FIFRA section 4.
2. **Make the following labeling changes:**
 - a) On page 3 of 6, please bold the entire paragraph beginning with "Not for use or storage..."
 - b) Please add the following to your "First Aid" section:

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor.

Signature of Approving Official:

George T. LaRocca

Date:

December 7, 2001

3. Please submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact me at (703) 305-6100.

Sincerely,

George T. LaRocca
Product Manager (13)
Insecticide Branch

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Not for Use or Storage in or around residential sites, including any vehicle, article, surface or area associated with the household, non-agricultural outbuildings, non-commercial greenhouses, pleasure boats, recreational vehicles, preschools, daycare centers and applications to humans or pets.

- Helps guard from crawling insect infestation at points of entry.
- Easy to apply.

Ants are attracted to food, debris and low-frequency electronic noises. The plastic disk in AntGuard™ Coasters & Covers is impregnated with an insecticide that kills and repels ants, including fire ants. AntGuard™ Coasters & Covers are designed to withstand the elements for 6 to 9 months of control.

AntGuard™ Coasters go under, and will accept, table legs, bed legs, cot legs, and many other types of legs and supports. AntGuard™ Covers go over wheeled casters on table legs, bed legs, cot legs and many other types of wheeled legs and supports. AntGuard™ Coasters & Covers can be used both indoors and outdoors. Apply AntGuard™ Coasters & Covers under or fitted over wheeled casters on any of the following to deter crawling insects by interrupting routes of travel:

- Beds and bed frames
- Military beds and cots in barracks
- Tables
- Indoor and outdoor furniture
- Food storage racks and shelves
- Laboratory storage or rearing racks
- Pallets*
- Animal cages or houses

*See Multi-Function Adapters. Contact your AntGuard™ distributor for details.

To install:

AntGuard™ Coasters & Covers utilize a plastic disk impregnated with an insecticide to kills or repels ants including fire ants. AntGuard™ Coasters & Covers are sold assembled; do not open package until ready to use. Position coasters under use sites, one coaster for each leg or support. See illustration. Position AntGuard™ covers over wheeled casters, one for each leg or support. See illustration.

6/8

AntGuard™ will begin to kill and control ants within 24 hours. Under normal conditions AntGuard™ will give 6 to 9 months of control.

***For speciality applications, use one of the following Multi-Function Adapters:**

Pallet Adapter - Designed for use under any flat-bottomed surface, including heavy loads.

Shallow Leg Adapter -Designed for front legs of cart or other devices that have two wheels.

Contact your AntGuard™ distributor for details.
