December 7, 2001

Term of Issuance: **Conditional**

Name of Pesticide Product:

AntGuard™ For Outdoor Use

NOTICE OF PESTICIDE:

Registration

Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

LineGuard, Inc.
P.O. Box 1020
Elyria, OH 44036

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of you product under FIFRA section 4.
2. **Make the following labeling changes:**
 - a) On page 3 of 6, please bold the entire paragraph beginning with "Not for use or storage..."
 - b) On page 3 of 6, next to "mooring line" and "docks" please add "commercial" in parentheses.

Signature of Approving Official:

Date:

George T. LaRocca

December 7, 2001

3. Please submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact me at (703) 305-6100.

Sincerely,

George T. LaRocca

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Not for Use or Storage in or around residential sites, including any vehicle, article, surface or area associated with the household, non-agricultural outbuildings, non-commercial greenhouses, pleasure boats, recreational vehicles, preschools, daycare centers and applications to humans or pets

Ants are attracted to food, debris and low-frequency electronic noises. The plastic in AntGuard™ is impregnated with an insecticide that kills and repels ants. AntGuard™ is designed to withstand rain, sun and the elements for 6 to 9 months of control.

Apply AntGuard™ to any pole, pipe, cable, rope, shaft or other outside surfaces where crawling insects can be deterred by interrupting routes of travel, such as:

- | | | |
|----------------------------|----------------------------------|------------------------|
| pilings | cables | rabbit hutch supports |
| mooring lines | electrical conduits and switches | chicken coop supports |
| docks | outdoor lights | animal cage supports |
| shrubs | outdoor storage racks and bins | animal house supports |
| plants (such as camellias) | pallet storage areas | support poles or pipes |
| trees | telephone lines - cable TV | stilt housing supports |
| greenhouse structures | junction and interface boxes | structural supports |
| utility tunnels and chases | | |

For use outdoors in commercial and agricultural areas:

- Helps guard from crawling insect infestation at points of entry.
- Easy to apply.

AntGuard™ is a plastic cylindrical device impregnated with an insecticide that kills or repels ants. Fasten AntGuard™ around points of entry to interrupt the route of travel of insects.

Do not open package until ready to use. Remove protective wrap from AntGuard™ device. Wear protective gloves when handling the device. Attach AntGuard™ at the point of entry of the particular use site, with the flared open end pointing toward the ground or away from the point of entry. See illustration. Use the attachment clips included to secure AntGuard™ firmly to the site. For growing sites, such as shrubs and plants, use the black flexible clip to secure AntGuard™. This clip will allow for the shrub or plant to grow unimpeded. AntGuard™ will begin to kill and control ants within 24 hours. Under normal conditions AntGuard™ will give 6 to 9 months of control.

6/8

To remove AntGuard™ use clippers or strong scissors to cut the attachment clip. Dispose of clip and used AntGuard™ by wrapping in newspaper and placing in trash.

For use on mooring lines and docks:

For use only on the mooring lines and docks of commercial boats.

- Helps guard from crawling insect infestation at points of entry.
- Easy to apply.

AntGuard™ for is a plastic cylindrical device impregnated with an insecticide that kills or repels ants. Fasten AntGuard™ around all mooring, electrical and water lines and docks to prevent insect infestation. AntGuard™ is not for use in or on boats directly.

Do not open package until ready to use. Remove protective wrap from AntGuard™ device. Attach AntGuard™ at the point on mooring, electrical or water lines that will avoid contact with water, with the flared open end pointing toward the dock. See illustration. Use the attachment clips included to secure AntGuard™ firmly to the site. AntGuard™ will begin to kill and control ants within 24 hours. Under normal conditions AntGuard™ will give 6 to 9 months of control.

To remove AntGuard™ use clippers or strong scissors to cut the attachment clip. Dispose of clip and used AntGuard™ by wrapping in newspaper and placing in trash.
