US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (75-767) WASHINGTON, DC 20460  <b>NOTICE OF PESTICIDE:</b> <input checked="" type="checkbox"/> REGISTRATION <input type="checkbox"/> REREГИSTRATION  <i>(Under the Federal Insecticide, Fungicide,          and Rodenticide Act, as amended)</i>	EPA REGISTRATION NO. 62498-5	DATE OF ISSUANCE 25 APR 1991
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT  Pool Pride 8oz Chlorinating Sticks	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Pride Manufacturing Inc.  
 1001 Olympia Drive  
 Peoria, IL 61615

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFPA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFPA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- Add the phrase "EPA Registration No. 62498-5."

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFPA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Walter C. Francis  
Acting Product Manager (PM-32)  
Antimicrobial Program Branch  
Registration Division (H-7504C)

Enclosures

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

When used as directed, this product is effective as a pool water disinfecting agent. The filter system should be backwashed or properly cleaned and the pH adjusted between 7.2 and 7.8. It is recommended that the pool be initially stabilized with 40-50 ppm cyanuric acid to reduce the dissipation effect of sunlight on chlorine. In addition to chlorine, the product also introduces cyanuric acid into the pool to maintain this stabilizing effect.

A free available chlorine residual of 1.0 to 2.0 ppm must first be established in the pH adjusted and conditioned pool. It is recommended that this be done with a granular product such as granular concentrate, following the directions on their labels. Maintain a free chlorine residual of 1.0 to 2.0 ppm by placing one (1)

Stick per 5,000 gallons of pool water into the skimmer or automatic feeding device per week. Usage may vary depending upon bather load and environmental conditions. Do not add any other chemical through the skimmer when using this product in the skimmer. The regular use of a test kit will determine if further adjustments may be necessary to maintain the recommended level of free available chlorine in the pool water. Do not swim in the water if the chlorine residual is greater than 3.0 ppm.

PACKAGED FOR  
PRIDE MFG INC.  
1001 OLYMPIA DR.

**DANGER:**  
**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS.**  
**DANGER. CORROSIVE.**

Causes eye and skin damage. May be fatal if swallowed. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Use only clean dry equipment. Irritating to nose and throat. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

**FIRST AID - STATEMENT OF PRACTICAL TREATMENT. IF SWALLOWED:** Feed large amounts of milk and/or water and induce vomiting. Call a physician immediately. **IF ON SKIN:** Brush off excess chemical and flush skin with cold water for at least 15 minutes. If irritation persists, get medical attention. **IF IN EYES:** Flush with cold water, for at least 15 minutes. Get immediate medical attention. **IF INHALED:** Remove person to fresh air. Get immediate medical attention.

**ENVIRONMENTAL HAZARDS.** This product is toxic to fish. Do not discharge into lakes, streams, ponds or public water unless in accordance with a NPDES permit. For guidance, contact the regional office of EPA.

**PHYSICAL AND CHEMICAL HAZARDS:** Strong oxidizing agent. Mix only with water. Use clean, dry utensils and equipment. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire and explosion. Contamination with moisture, organic matter or other chemicals may start a chemical reaction with generation of heat, hazardous gases and possible fire and explosion. In case of contamination or decomposition, do not reseal container. If possible, isolate container in open air or well ventilated area. If necessary, flood with large volumes of water.

**SPILL:** Sweep up and while providing adequate ventilation, flush away by flooding with water.

**IN CASE OF FIRE:** Use water spray to cool containers exposed to heat and flood with water to dilute material. Noxious fumes can be formed. Wear full protective clothing and self-contained breathing apparatus.

**HOW TO CALCULATE POOL CAPACITY**  
**SHAPE OF POOL**

	GAL. OF WATER (Dimensions in feet)
Rectangular .....	Average depth X average length X average width X 7.5
Circular .....	Diameter X diameter X average depth X 5.9
Ovalwidth Straight sides .....	Full width X full length X average depth X 6.7
Irregular .....	Consult pool builder.

**STORAGE AND DISPOSAL**

Keep product dry in tightly closed container when not in use. Store in a cool, dry, well ventilated area away from heat or open flame. Keep contents and container dry and off wet floors. In case of decomposition isolate container, if possible, and flood with large amounts of water to dissolve all material before discarding. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. Do not reuse container.

This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**NOTICE TO BUYER**

Seller warrants that this product conforms to the chemical description of the label and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such use. Seller disclaims all other warranties, express or implied, including any warranty of FITNESS or MERCHANTABILITY.
