P.O. Box 91  
La Rose, IL 61541-0091

**Subject: Amended Reregistration Label**  
Product Name: Pool Pride Algicide 30  
EPA Registration Number: 62498-6  
EPA Decision Number: 455709

Dear Mr. Gebhardt:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the **Busan 77 RED** and has concluded that your submission is acceptable.

NOTE: This product is **not** being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please note that the record for this product currently contains the Confidential Statement of Formulation (CSF) listed below. Any previously dated CSFs are superseded.

- Basic CSF dated 08/20/2014

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

Should you have any questions or comments concerning this letter, you may contact me by telephone at (703) 308-6416 or by e-mail at [hardy.jacqueline@epa.gov](mailto:hardy.jacqueline@epa.gov) or Lorena Rivas by telephone at (703) 305-5027 or by e-mail at [rivas.lorena@epa.gov](mailto:rivas.lorena@epa.gov). When submitting information or data in response to this letter, a copy of this letter should accompany the submission to facilitate processing.

Sincerely,

A handwritten signature in red ink that reads "Jacqueline Hardy". The signature is written in a cursive style and is positioned above the typed name.

# POOL PRIDE

## ALGICIDE 30 Algae Growth Control

Active ingredient: Busan 77\*.....30.0%  
Inert ingredient:.....70.0%  
Total.....100.0%

\*Poly[oxoethylene(dimethyliminio)ethylene(dimethyliminio)ethylene dichloride]

ACCEPTED

03/04/2020

Under the Federal Insecticide, Fungicide  
and Rodenticide Act as amended, for the  
pesticide registered under  
EPA Reg. No. 62498-6

### CAUTION

KEEP OUT OF REACH OF CHILDREN  
See First Aid and Additional Precautionary  
Statements on Back Panel.

### DIRECTIONS FOR USE

#### General Classification

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Pool Pride Algicide 30 is used to control the growth of algae in swimming pools. For maximum effectiveness, pools containing heavy growth of algae should be cleaned prior to using Pool Pride Algicide 30.

For pools having visible algae growth add an initial dose of 23.5 to 32 fluid ounces of Pool Pride Algicide 30 per 10,000 gal of water.

To maintain pools free of visible algae growth, subsequent editions of 4.3 to 8.6 fluid ounces of Pool Pride Algicide 30 per 10,000 gal of water should be made every five to seven days after the initial treatment.

Pool Pride Algicide 30 is compatible with those chemicals normally used to treat pools and is effective at both acid and alkaline pH. Pool Pride Algicide 30 can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix Pool Pride Algicide 30 with concentrated dry or liquid chlorine products.

### CAUTION

Hazardous to humans and domestic animals:

Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Wear goggles or a faceshield.

### FIRST AID

**IF SWALLOWED:** Call poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Taking off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call poison control center or doctor for treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call poison control center or doctor for treatment advice.

Have product container or label with you when calling poison control, or doctor, or going to treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.
