June 29, 2010 Request to Amend Label

Dear Mr. Reese:

In the Agency letter of June 3, 2010, the Agency approved amended labeling for this registration with the condition that specific label revisions be made to the June 3, 2010 label stamped "Accepted with Comments". This letter further amends the June 3, 2010 label by requiring the following additional change:

In the June 3, 2010 label, on page 6, revise "Inert Ingredients" to read "Other Ingredients".

The label associated with this change has been previously stamped "Accepted with Comments" and is dated June 3, 2010. Submit one copy of the final printed label that incorporates the required changes before the product is released for shipment. If you have any questions, please contact Andrea Carone by phone at (703) 308-0122 or via email at carone.andrea@epa.gov or Mary Waller by phone at (703) 308-9354 or via email at waller.mary@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Mary L. Waller".
