Roach Killer

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Causes eye irritation. Avoid breathing dust. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling. Remove pots, lids and cover. See aquariums before using.
DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only.
 Cut section off spout to create a large opening to prevent clogging.
 Do not use before second use on spot.
 To control cockroaches, ants and silverfish, apply Goodbye Roaches liberally, applying under and behind refrigerator, stove, sink, dishwasher, washing machine and dryer, under the openings around doors, under pipes and electrical conduits, and in cracks and crevices along baseboards and corners of cabinets, cupboards and drawers. Remove all lower drawers in kitchen and bedroom cabinets, bedroom dressers and chest of drawers, then scatter liberally in dresser drawers. Re-apply as necessary. Any powder which after application must be brushed into cracks and crevices or removed. Apply only in areas inaccessible to children and pets. Do not use in areas where children and pets play. One pound bottle should be sufficient for up to a 9-room residence.
 Roaches and other insects often hide in basements and garage areas. Additional treatment of one pound may be needed.

FIRST AID: If inhaled, remove person to fresh air. If person is not breathing, call for an ambulance. If swallowed, give one or two glasses of water. Call a poison control center or doctor for treatment advice. If on skin, wash with soap and water. If in eyes, hold eye open and flush slowly and gently with water for 15-20 minutes. Always protect lenses, if present, then continue flushing eye. Call a poison control center or doctor for treatment advice.
 If getting into eyes, flush with water for 15-20 minutes. Always protect lenses, if present, then continue flushing eye. Call a poison control center or doctor for treatment advice.
STORAGE: Store in original container away from food and feed. Keep product in locked storage area inaccessible to children and pets.
 Dispose of empty container as follows: Place in trash or other recycling if available. Do not reuse. Call local authorities for recycling information. Do not reuse for other purposes. Wash thoroughly with soap and water to clean any interior or exterior surface.
