### Precautionary Statements

---

#### Hazards to Humans and Domestic Animals

## CAUTION

#### May Be Harmful If Swallowed

Do not take internally. Avoid inhaling dust. Avoid contact with eyes. Flush contaminated eyes with plenty of water, and get medical attention if irritation persists. Wash thoroughly after handling. Wash contaminated clothing before reuse. Keep away from food, feedstuffs, and domestic water supplies.

#### First Aid

**If swallowed:** Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call poison control center or doctor for treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-992-5994 for emergency medical treatment information.

**Note To Physician:** Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine, by injection only, is antidotal.

#### Environmental Hazards

This product is toxic to fish, birds, and other wildlife. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not feed treated grass clippings to livestock. Apply this product only as specified on this label.

---

#### Directions for Use

---

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**Do Not Use This Product Indoors.**

5/6

**Storage and Disposal**  
 Do not contaminate water, food, or feed by storage or disposal.  
**Storage:** Store in original container. Do not store above 100°F for extended periods of time. If container is damaged or spill occurs, use product immediately or dispose of product and damaged container as indicated below.  
**Pesticide Disposal:** wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.  
**Container Disposal:** Completely empty bag into application equipment. Then dispose of bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**Insect Control for Golf Course Turf Areas**

**Insects Controlled Include:**

Chinch Bugs	Boxelder Bugs
Fleas	Clover Mites
Ants	Sod Webworms (lawn moths)
Crickets	Chiggers
Sowbugs (pillbugs)	(1) Fire Ants
Billbugs	Armyworms
Cutworms	Earwigs
Grasshoppers	

(#) Numbers in parentheses refer to specialized application directions.

**Dosage Rates**

Area To Be Treated	Pounds Of Dursban 1/2G
1,000 sq ft	5.0 pounds
2,500 sq ft	12.5 pounds
4,000 sq ft	20.0 pounds
5,000 sq ft	25.0 pounds
10,000 sq ft	50.0 pounds

To help obtain uniform distribution, apply one-half the required amount of product in one direction, then apply the remainder at right angles.

**Spreader Settings**

Application rate (lb per 1,000 sq ft)	Lilly/Miller	Central	Scotts	Ortho Drop
5	6.0	6.75	6.0	5.5

**Applications (To Turf):** Apply Dursban 1/2G uniformly to golf course turfgrass at the rate of 5 pounds per 1,000 sq ft, or 4 pounds per 800 sq ft. Consult the table below to determine the amounts of Dursban 1/2G needed for larger-sized areas. Use any hand- or power-operated gravity or rotary type spreader designed for application of granular materials. To help obtain uniform distribution of Dursban 1/2G on the turfgrass, apply one-half of the required amount of product in one direction; then apply the balance at a right angle.

6/6

**Specific Directions**

1. **Fire Ant Control** (for individual fire ant mounds): Apply Dursban 1/2G at a rate of 4 ounces (8 tablespoons) per active mound. Sprinkle granules gently and evenly over surface of mound and out approximately two feet surrounding the mound. Avoid disturbing ants. For best results, apply when ants are least active in cool weather, 65°F to 80°F, or in early morning or late evening hours. Treat new mounds as they appear.

---

**Terms and Conditions of Use**

---

If terms of the following Warranty Disclaimer, Inherent Risks of Use, and Limitation of Remedies are not acceptable, return unopened package at once to the seller for a full refund of purchase price paid. Otherwise, use by the buyer or any other user constitutes acceptance of the terms under Warranty Disclaimer, Inherent Risks of Use and Limitations of Remedies.

---

**Warranty Disclaimer**

---

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

---

**Inherent Risks of Use**

---

It is impossible to eliminate all risks associated with use of this product. Plant injury, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions (including conditions noted on the label, such as unfavorable temperature, soil conditions, etc.), abnormal conditions (such as excessive rainfall, drought, tornadoes, hurricanes), presence of other materials, the manner of application, or other factors, all of which are beyond the control of Seller. All such risks shall be assumed by Buyer.

---

**Limitation of Remedies**

---

The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability, or other legal theories), shall be limited to, at Seller's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

Seller shall not be liable for losses or damages resulting from handling or use of this product unless Seller is promptly notified of such loss or damage in writing. In no case shall Seller be liable for consequential or incidental damages or losses.

The terms of the Warranty Disclaimer and Inherent Risks of Use above and this Limitation of Remedies cannot be varied by any written or verbal statements or agreements. No employee or sales agent of the Seller or the seller is authorized to vary or exceed the terms of the Warranty Disclaimer or this Limitation of Remedies in any manner.
