

# 2,4-Dichlorophenoxy Acetic Acid Flake

Active Ingredient:		
2,4-Dichlorophenoxyacetic acid†	.....	97.0%
Inert Ingredients	.....	3.0%
Total	.....	100.0%

† Isomer Specific by AOAC Method No. 6.275-6.279 (13th Ed.)

## Precautionary Statements

### Hazards to Humans and Domestic Animals

Keep Out of Reach of Children

## CAUTION

Harmful If Swallowed, Inhaled Or Absorbed Through The Skin • Causes Eye Irritation • Prolonged Or Frequently Repeated Skin Contact May Cause Allergic Skin Reactions In Some Individuals

Avoid contact with skin, eyes or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling and before eating or smoking. When handling this product, wear chemical resistant gloves. Remove and wash contaminated clothing before reuse.

### First Aid

If in eyes: Flush with plenty of water. Get medical attention if irritation persists.

If on skin: Wash with plenty of soap and water. Get medical attention.

If swallowed: Call physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

### Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your state water board or regional office of the EPA.

In case of an emergency endangering life or property involving this product, call collect 517-636-4400.

Manufacturing Chemical: Do not ship or store with food, feeds, drugs or clothing.

### STORAGE AND DISPOSAL

**Prohibitions:** Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.  
**Storage:** Keep container tightly closed when not in use. This product can be stored in an unheated building.  
**Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or residue is a violation of Federal law and may contaminate groundwater. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA regional office for guidance.  
**Container Disposal:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.  
**General:** Consult federal, state, or local disposal authorities for approved alternative procedures.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For Manufacturing Use Only:** For formulation only into end-use products for acceptable use patterns.

**Note:** Because of their properties and intended uses, formulations containing 2,4-Dichlorophenoxy Acetic Acid Flaks may require precautionary labeling differing from that given. Formulators should develop their own use and precautionary labeling, based on the properties and intended uses of their own finished formulations, and in accordance with all pertinent laws and regulations.

Formulators using this product are responsible for obtaining EPA registration for their formulated products. Refer to DowElanco for instructions for formulation and other information.

### Warranty Limitations and Disclaimer

DowElanco warrants that at the time of delivery, the product will conform to its chemical description on the label, that it will pass without objection in the trade under the contract description, that Seller will convey good title thereto, and that such product will be delivered free from any lawful security interest, lien or encumbrance.

This is the only warranty made on this product. DOWELANCO EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND, EXCEPT AS SET FORTH IN THE ABOVE PARAGRAPH, ANY OTHER EXPRESS OR IMPLIED WARRANTIES. Buyer acknowledges the use of its own independent skill and expertise in the selection and use of the product and does not rely exclusively on any oral or written statements or representations.

#### 2,4-Diclorofenoxy Acético Ácido Flak

Ingrediente Activo:	
Ácido 2,4-Diclorofenoacético†	97.0%
Ingredientes Inertes	3.0%
Total	100.0%

† Específico al isómero por método AOAC 6.275.-6.279 (Ed. 13)

#### Declaraciones de advertencia

Riesgos a humanos y a animales domésticos

Manténgase fuera del alcance de los niños

#### AVISO

Defina si es ingerido, inhalado o absorbido por la piel • Causa irritación de los ojos • El contacto prolongado o frecuente con la piel puede causar reacciones alérgicas de la piel en algunos individuos

No permita contacto con los ojos, la piel o la ropa. Evite respirar vapores. Lávese completamente con agua y jabón después de usar el producto y antes de comer o fumar.

Al manipular este producto, use guantes resistentes a los químicos. Quite la ropa contaminada y lávela antes de usarla nuevamente.

#### Primeros Auxilios

Si entra en los ojos, enjuague con mucha agua. Obtenga atención médica si la irritación persiste.  
Si entra en contacto con la piel, lave inmediatamente con mucha agua y jabón. Obtenga atención médica.  
Si se ingiere, llámese al médico o al Centro para Control de Envenenamientos inmediatamente. Administre uno o dos vasos de agua e induzca el vómito tocando la parte de atrás de la garganta con un dedo. Si la víctima está inconsciente, no induzca el vómito ni le dé nada por la boca.

#### Peligros Ambientales

No permita que el desague que contiene este producto entre en lagos, nos, lagunas, estanos, océanos o aguas destinadas para el uso público, con excepción de los casos en que el producto haya sido identificado específicamente y recibido un permiso NPDES. No permita que el desague que contiene este producto llegue al sistema de alcantarillado sin avisar previamente a las autoridades. Consulte a las autoridades para mayor información.

Producto Químico Agrícola: No se embarque ni se almacene junto con alimentos, pienso, medicamentos o ropa

### PORTUGUESE

#### 2,4-Diclorofenoxy Acético Ácido Flak

Ingredientes Ativo:	
Ácido 2,4-Diclorofenoacético†	97.0%
Ingredientes Inertes	3.0%
Total	100.0%

† Isómero específico pelo método AOAC número 6.275-6.279 (13ª ed.)

#### Avisos de precauções

Riscos a seres humanos e animais domésticos

Mantenha afastado das crianças

#### ATENÇÃO

Nevre se ingerido, inalado ou absorvido pela pele • Irrita os olhos • Contato prolongado ou frequente com a pele pode causar reação alérgica de pele em alguns indivíduos

Evite respirar o pó. Evite respirar o vapor. Lave cuidadosamente com sabão e água após manipulação e antes de comer ou fumar. Ao manipular este produto, use luvas resistentes aos químicos. Tire a roupa contaminada e lave antes de tomar o usar.

#### Pronto Socorro

Se os olhos forem atingidos, lave-os com bastante água. Se a irritação persistir, procure atenção médica.

Se a pele for atingida, lave-a com bastante água e sabão. Procure atenção médica.

Se for ingerido, chamar um médico ou um centro para controle de substâncias tóxicas. Provocar o vómito dando para beber dois copos de água e introduzindo o dedo na garganta. Não se deve dar nada via oral a uma pessoa desmaiada.

#### Riscos Ambientais

Não despejar desaguamento contendo este líquido em lagos, nos, lagoas, estanós, or seios ou águas para uso público, a não ser que este produto estiver especificamente identificado e tratado numa autorização do NPDES. Não despejar desaguamentos contendo este produto na rede de esgoto sem antes notificar as autoridades da usina de tratamento de esgoto. Para indicações, dirija-se às autoridades apropriadas.

Produto químico para a agricultura. Não embarque nem armazene junto a carregamentos de alimentos, forragens, produtos farmacêuticos ou roupa.
