MCPA Acid

Technical

Active Ingredient:
 2-methyl-4-chlorophenoxyacetic acid..... 96.6%
 Inert Ingredients..... 3.4%
 Total Ingredients..... 100.0%

~~Keep Out of Reach of Children~~
DANGER

Precautionary Statements

Hazards to Humans and Domestic Animals

Corrosive. Causes Irreversible Eye Damage • Harmful If Swallowed, Inhaled, Or Absorbed Through The Skin

Do not get in eyes or on clothing. Avoid contact with skin. Avoid breathing spray mist. Wear protective eyewear (goggles or face shield) when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

First Aid

~~If in eyes: Hold eyelids open and flush with a steady gentle stream of water for 15 minutes. Get medical attention. Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.~~

~~If swallowed: Call a doctor or get medical attention. Do not induce vomiting or give anything by mouth to an unconscious person. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.~~

~~If on skin or clothing: Wash with plenty of soap and water. Get medical attention. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.~~

~~If inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention. Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.~~

~~Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-992-5994 for emergency medical treatment information.~~

Environmental Hazards

This pesticide is extremely toxic to fish and wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems

without previously notifying the local sewage treatment plant authority. For further guidance, contact your state water board or regional office of the EPA.

Directions for Use

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Do not store in freezing temperatures. If allowed to freeze, remix before using. Do not transport with or store near fertilizers, seeds, insecticides or fungicides.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA regional office for guidance.

Container Disposal: Completely empty bag into manufacturing equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Manufacturing Use Only

For formulation into a herbicide for the following uses: wheat, barley, oats, rye, flax, peas, clover (peas and clover are for use in the Pacific Northwest only), alfalfa, pasture, rangeland, grasslands, non-crop agricultural areas, rights-of-way, fencerows, turf and roadsides.

Note: Formulators using this product are responsible for obtaining EPA registration for their formulated products. Refer to Dow AgroSciences for instructions for formulations and other information.
