**Sonalan\* E.C. Herbicide (EPA Reg. No. 62719-120)**

**(For Distribution and Use Only in the State of Montana)**

## **Amended Rotational Crop Restrictions**

- This labeling must be in possession of the user at the time of application.
- Read the Sonalan label for additional directions, precautions and limitations before applying.

### Directions for Use

**Rotational Crop Restrictions:** Plant only spring seeded barley (grown under irrigated conditions), rapeseed (canola), safflower or sunflower as rotational crops in the crop year following the crop treated with Sonalan E.C. If one these specified crops is not planted, the land should be left idle or fallow for the entire crop year following the crop treated with Sonalan E.C.
