# Ethalfluralin Technical

EPA Reg. No. 62719-132

## Registration Notes from Previous labeling actions:

Final Printed Label based on EPA accepted text dated March 22, 1999.

Current label text based on EPA-accepted copy dated September 13, 1994.

### Previously Submitted Changes Under the Ethalfluralin RED in label coded " C7A/Ethalfluralin Tech/Amend/04-19-96":

Revised the following statements to comply with language requirements required under the Reregistration Eligibility Decision (RED) document (EPA 738-R-95-001 March 1995):

1. Revised Environmental Hazards section by adding the phrase "and aquatic invertebrates" to the first sentence.

**Proposed Changes by Amendment:** The following changes are being submitted as directed in response to EPA's review of the 8-month response to the Ethalfluralin RED dated Feb. 22, 1999:

1. Signal word from "CAUTION" to "WARNING".
2. "Hazards to Humans and Domestic Animals" text revised.
3. "First Aid" statements revised.

#### Other:

4. KOROC statement deleted since it is not relevant to a manufacturing use product.
5. Added "Directions for Use" heading and placed "Storage and Disposal" at end of section.

DowElanco notified the EPA that its legal name will change to Dow AgroSciences LLC effective January 1, 1998. The following label changes are being made via non-notification as a result of this company name change:

- Company name changed from DowElanco to Dow AgroSciences LLC (logo, trademark reference, address line, warranty statement)
- Emergency telephone number updated to include a web site address (PR Notice 97-4)

The name of this product and its EPA registration number remain the same. No other changes are being made to the label at this time.

**Final Printed Labeling:** Label text based on EPA-accepted copy dated September 13, 1994.

#### Revisions Accepted 09/13/94:

1. Ingredients statement revised to reflect nominal concentration (see DowElanco submission dated January 13, 1994).
2. Added list of crops for which end-use herbicide products may be formulated.
3. Environmental Hazards: Revised effluent discharge statement in accordance with PR Notice 93-10.

## Ethalfluralin Technical

### For Manufacturing Use Only

#### Active Ingredient:

ethalfluralin: *N*-ethyl-*N*-(2-methyl-2-propenyl)-  
2,6-dinitro-4-(trifluoromethyl)benzenamine ..... 96%

Inert Ingredients ..... 4%

Total ..... 100%

## WARNING

---

### Precautionary Statements

---

#### Hazards to Humans and Domestic Animals

**Causes Substantial But Temporary Eye Irritation And Skin Irritation • Harmful Of Inhaled • Prolonged Or Frequently Repeated Skin Contact May Cause Allergic Reactions In Some Individuals**

**Do not get in eyes, on skin or on clothing. Avoid breathing particulate material or vapors. Wear protective eyewear (goggles or face shield) and protective clothing such as coveralls, a long-sleeved shirt and impermeable gloves when handling this product. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. This material will cause intense staining.**

#### First Aid

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-992-5994 for emergency medical treatment information.

#### Environmental Hazards

This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer

systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

---

### Directions for Use

---

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For formulation into an end-use herbicide only for use on the following crops:** dry beans, dry peas, cucurbits, peanuts, soybeans and sunflowers.

### Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Store in a cool, dry place. Store in original container. In case of leak or spill, contain material and dispose as waste.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Metal Drum Disposal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

**Fiber Drum Disposal:** Completely empty fiber drum by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into manufacturing equipment. Crush or puncture and dispose of in a sanitary landfill or by incineration if allowed by state and local authorities.
