Until Reregistration

XRM-5222

DowElanco
Quad IV--9002 Purdue Road
Indianapolis, IN 46268-1189

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data or other material required for registration/ reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 62719-225."
- b. The statement of practical treatment must include

If inhaled.... Remove victim to fresh air.
If not breathing, give
artificial respiration,
preferably mouth to mouth.
Get medical attention.

3. An acceptable acute inhalation study must be submitted within nine months.

-2-

4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.
62719-525

Active Ingredient	
chlorpyrifos: O,O-diethyl O-(3,5,6-trichloro-2-pyridinyl) phosphorothioate.....	22.8%
Inert Ingredients.....	77.2%
Total.....	100.0%

Contains 2.0 pounds of chlorpyrifos per gallon.
EPA Reg. No. 62719-XXX
EPA Est. No. 00000-XX-00

Keep Out of Reach of Children

CAUTION

Precautionary Statements

Hazards to Humans and Domestic Animals

Causes Eye Irritation - Harmful if Swallowed, Inhaled or Absorbed Through Skin

Avoid contact with eyes, skin or clothing. Avoid breathing vapors or spray mist. Use eye protection, protective clothing and chemically resistant gloves when handling this product. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

First Aid

If in eyes: Flush with plenty of water. Get medical attention if irritation persists.
If swallowed: Do not induce vomiting. Call a physician or poison control center. Contains ingredients which may cause chemical pneumonia if aspirated into the lung. Do not induce vomiting or give anything by mouth to an unconscious person.
If on skin: Wash with plenty of soap and water. Get medical attention if irritation develops.
If inhaled: If discomfort occurs, remove individual to fresh air and get medical attention.

Note to Physician: Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine, by injection only, is the preferable antidote. Oximes, such as 2-PAM/Protopam, may be therapeutic if used early; however, use only in conjunction with atropine. In case of severe acute poisoning, use antidote immediately after establishing an open airway and respiration.

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, or bays, or into public waters unless this product is specifically identified and addressed in a NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage plant authority. For guidance, contact your state water board or regional office of the EPA.

In case of emergency endangering life or property involving this product, call collect 517-636-4400.

Manufacturing chemical: Do not ship or store with food, feeds, drugs, or clothing.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

- **Storage:** Store in original container in a secured dry storage area. Do not store above 100°F for extended periods of time. Storage below 40°F may result in the formation of crystals. If product crystallizes, store at 72°F to 90°F and agitate to redissolve crystals. Contain spills using an inert absorbent and transfer contaminated absorbent material to a container.
- **Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. Dispose of excess or waste pesticide by use according to label directions or contact your state pesticide or environmental control agency or the hazardous waste representative at the nearest EPA regional office for guidance.
- **Metal Container Disposal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
- **Returnable Bulk Container Disposal:** Empty container completely. Do not attempt to clean or rinse container after use. Reseal openings utilized in dispensing product during use. Return reusable container to DowElanco according to instructions provided.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Manufacturing Use Only

This product is intended only for manufacture of EPA approved end use products. Formulators using this product are responsible for obtaining EPA registration of their formulated end use products. Refer to DowElanco for instructions for formulation of end use products and other information.

WARRANTY LIMITATIONS AND DISCLAIMER

DowElanco warrants that at the time of delivery, the product will conform to its chemical description on the label, that it will pass without objection in the trade under the contract description, that DowElanco will convey good title thereto, and that such product will be delivered free from any lawful security interest, lien or encumbrance.

This is the only warranty made on this product. DowElanco expressly disclaims any implied warranties of merchantability and fitness for a particular purpose and, except as set forth in the above paragraph, any other express or implied warranties. Buyer acknowledges the use of its own independent skill and expertise in the selection and use of the product and does not rely on any oral or written statements or representations.
