Dear Mr. Hammond:

Subject: Revised Chemigation Statement
Treflan HFP
EPA Registration No. 62719-250
Your Submission Dated March 27, 1997

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following provision:

This revision must be incorporated into the master labeling for this product upon the next label printing.

A stamped copy is enclosed for your records. Please submit one (1) final printed copy of the final printed master label to demonstrate compliance with the above provision before releasing the product for shipment.

Sincerely yours,

Joanne I. Miller

Treflan* HFP

62719-250

Modified Instructions for Chemigation†

ATTENTION

- †**Notice:** Certain statements which appear in the "General Chemigation Directions" section of the product label for Treflan HFP are superseded by this supplemental label. This supplemental label must be in the possession of the user at the time of application if Treflan HFP is applied by chemigation systems **other than** continuously moving center pivot, lateral move, or end tow sprinkler irrigation systems.
- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
 - Read the label affixed to the container for Treflan HFP before applying. Carefully follow all precautionary statements and applicable use directions.
 - Use of Treflan HFP according to this supplemental labeling is subject to all use precautions and limitations stated below or imposed by the label affixed to the container for Treflan HFP.

Directions for Use

In the "General Chemigation Directions" section of the label for Treflan* HFP herbicide, the statements, "Apply this product only through continuously moving center pivot, lateral move, or end tow sprinkler irrigation systems equipped for chemigation. Do not apply this product through any other type of irrigation system.", have been superseded by the following statement:

Apply this product only through continuously moving center pivot, lateral move, end tow, solid set, or hand move irrigation systems, or certain other systems described in EPA-accepted supplemental labeling.

ACCEPTED
