Glyphomax*

EPA Reg. No. 62719-323

Additional Storage and Disposal Statements for Returnable Containers

ATTENTION

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This labeling must be in the possession of the user at the time of application.
- Read the label affixed to the container for Glyphomax* herbicide before applying. Carefully follow all precautionary statements and applicable use directions.
- Use of Glyphomax according to this supplemental labeling is subject to all use precautions and limitations imposed by the label affixed to the container for Glyphomax.

Directions for Use

Storage and Disposal statements, revised to include container disposal instructions for different container types used for Glyphomax, are included in the following text box:

Storage and Disposal

Do not contaminate water, food, feed or seed by storage or disposal.

Pesticide Disposal: Wastes resulting from the use of this product that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticide disposal or in accordance with applicable Federal, state or local procedures. Emptied container contains vapor and product residue. Observe all labeled safeguards until container is cleaned, reconditioned, or destroyed.

Refillable Portable Containers: Do not reuse this container except to refill in accordance with a valid Dow AgroSciences Repackaging agreement. If not refilled or returned to the authorized repackaging facility, triple rinse container, then puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Bulk Containers: Triple rinse emptied bulk container. Then offer for recycling or reconditioning, or dispose of in a manner approved by state and local authorities.

Plastic 1-Way Container Disposal: Do not reuse this container. Triple rinse (or equivalent). Then puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Drums: Do not reuse container. Return container per any Dow AgroSciences container return program. If not returned, triple rinse container, then puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
