<u>x</u> Registration Reregistration

(under FIFRA, as amended)

EPA Reg. Number:

62719-335 Date of Issuance:

MAY 23 2002 Expiration Date: June 1, 2007

Term of Issuance:

Unconditional

Name of Pesticide Product:

Clincher Technical

Name and Address of Registrant (include ZIP Code):

Dow AgroSciences, LLC 9330 Zionsville Road Indianapolis, IN 46268

Note Changes in labeling differing in substance from that accepted to connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EFA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered in accordance with FIFRA sec. 3(c)(5) provided that you comply with the following terms and conditions of registration:

- 1. Make the following label change listed below before you release the product for shipment:
  - a. Add the phrase, EPA Reg. No. 62719-335.
- 2. No more than 269,981 pounds of active ingredient of EPA Reg No. 62719-335 may be produced or formulated into end use products labeled for use on rice in any fiscal year. Submit product information (pounds or gallons of both active ingredient and formulated product produced) for this product for each fiscal year in which this registration is in effect. The fiscal year begins October 1, and ends September 30. The product information will be submitted to the Agency no later than November 15, following the end of the preceding year.

## Storage and Disposal

Storage: Store in a cool dry place. Store in original container only. In case of leak or spill, contain material and dispose as waste.

Pesticide Disposal: Do not contaminate water, food, or feed by storage or disposal. Waste may be disposed of on site or at an approved waste disposal facility.

Fiber Drum Container Disposal: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into formulation equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by state or local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.
