Indianapolis, Indiana 46268-1054

Subject: RH-7592 Technical  
EPA Registration No. 62719-415  
Your label amendment application dated August 5, 2002

Dear Ms. Swayze,

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable, provided that you comply with the following conditions.

1. Make the following changes to the label. The last sentence in the Fiber Drum part of the "Container Disposal" subsection of the "Storage and Disposal" section is not grammatical. Please correct it.
2. Submit one copy of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration may be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions about this letter, please contact John Bazuin at (703)305-7381.

Sincerely yours,

A handwritten signature in black ink, appearing to be "CJ/P", written over a horizontal line.

Cynthia Giles-Parker  
Product Manager (22)

### Precautionary Statements

---

#### Hazards to Humans and Domestic Animals

## CAUTION

**Harmful If Swallowed Or Inhaled**

**Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.**

#### First Aid

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

**Hot Line Number:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-992-5994 day or night, for emergency treatment information.

#### Environmental Hazards

This product is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, ocean or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

---

#### Directions for Use:

---

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For Manufacturing and Formulation into Fungicides for use on: Apricots, Bananas, Cherries, Nectarines, Peaches and Pecans**

### Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Store in a cool, dry, well-ventilated area but not below 32°F.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

#### Container Disposal

**Fiber Drum:** Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty into appropriate equipment. Then puncture and dispose of liner in a sanitary landfill, by incineration, or if allowed by State and local authorities.

**Plastic Container:** Triple rinse (or equivalent). Puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

**Steps to be Taken In Case Material is Released or Spilled:** Appropriate protective equipment must be worn when handling a spill of this material. Remove all contaminated clothing promptly. Wash all exposed skin areas with soap and water immediately after exposure. Thoroughly launder clothing before reuse. Do not take clothing home to be laundered. Transfer spilled material to suitable containers for recovery or disposal. Keep dust to a minimum. Keep spill and cleaning runoff out of municipal sewers and open bodies of water. Refer to Precautionary Statements
