Source label text based on EPA-accepted copy dated November 16, 2000 and non-notification coded "F3B / Intrepid 80WP-444 (280) 12Sep02F.doc."

Changes by amendment:

1. Changed main brand name to Intrepid MUP from Intrepid 80WP.
2. KOROC statement deleted since it is not required on a manufacturing use label.
3. Based upon the following acute tox studies, revised Precautionary Statements section and First Aid section per PR Notice 2001-1:

Acute Toxicity Category by Route of Exposure:

Route of Exposure	Intrepid MUP
Oral LD ₅₀	Cat IV
Dermal LD ₅₀	Cat III
Inhalation	Cat IV
Ocular Irritation	Cat III
Dermal Irritation	Cat IV
Dermal Sensitization	Non-sensitizer

4. Changed text of second paragraph under Directions for Use.
5. Storage and Disposal: Revised according to Chapter 13 of the Label Review Manual.
6. Minor spelling and punctuation corrections throughout.

[Editor's note: Added text is underlined and deleted text is denoted by ~~strikethrough~~.]

CAUTION

Precautionary Statements

Hazards to Humans and Domestic Animals

~~**Causes mModerate eEye iIrritation •Harmful iIf Absorbed Through the Skin.**~~

Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling

First Aid

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

~~**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.~~

~~**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.~~

~~**Hot Line Number:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-992-5994 day or night, for emergency treatment information.~~

~~Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact 1-800-992-5994 for emergency medical treatment information.~~

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Manufacturing and Formulation into Insecticides Only. For Use on Cotton and Pomefruits

This product may only be formulated into manufacturing-use insecticide products or end-use insecticide products for the following uses: globe artichoke, cherry, cole crops, corn, cotton, cranberry, fruiting vegetables, grape, leafy vegetables, lychee, longan, pome fruits, pistachios, pulasan, rambutan, Spanish lime, stone fruits, tree nuts, and turnip greens. This product may be used to formulate products for specific use(s) not listed on this label if the formulator, user group or grower has complied with U.S.EPA submission requirements regarding the support of such use(s).

Storage and Disposal:

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store in a cool, dry, well-ventilated area above freezing.

Pesticide Disposal: ~~Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are toxic. Improper disposal of excess pesticide, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA region office for guidance. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.~~

Container Disposal--Fiber Drum: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into appropriate application equipment. Then puncture and dispose of liner in a sanitary landfill, or by incineration, or if allowed by State and local authorities, by burning. ~~If burned, stay out of smoke.~~ If drum is contaminated and cannot be reused, dispose of in the same manner.

Steps to be Taken in Case Material is Released or Spilled: Evacuate the spill area. Wear full protective equipment. Transfer spilled material into suitable containers for recovery or disposal. Keep dust to a minimum. Keep spills and cleaning runoffs out of municipal sewers and open bodies of water. Remove contaminated clothing and wash affected skin areas with soap and water. **Refer to Precautionary Statements, Refer to MSDS**

Warranty Limitations and Disclaimer
