MACH 2* Manufacturing Use Concentrate

EPA Reg. No. 62719-476

Registration Notes:

Source label text based on RohMid[†] EPA-accepted copy dated August 1, 2000, Dow AgroSciences' Non-Notification name change coded "E3B / MACH 2 Manufacturing Concentrate / Non-Notif Name Change / 01-11-02" and notification coded "E3B / MACH 2 Manufacturing Use Concentrate / Notif / 02-04-02."

Proposed changes by amendment:

1. Based upon the following acute tox studies, revised First Aid section per PR Notice 2001-1 and Precautionary Statements section:

Acute Toxicity Category by Route of Exposure:

| Route of Exposure | MACH 2 Manufacturing Use Concentrate |
|-------------------------|--------------------------------------|
| Oral LD ₅₀ | Cat IV |
| Dermal LD ₅₀ | Cat IV |
| Inhalation | Cat IV |
| Ocular Irritation | Cat I |
| Dermal Irritation | Cat IV |
| Dermal Sensitization | Sensitizer |

2. Added Directions for Use section.
3. Storage and Disposal: Added "Pesticide" to first heading according to Chapter 13 of the Label Review Manual.
4. Pesticide Disposal: Changed statement to be consistent with Chapter 13 of the Label Review Manual.
5. Corrected minor spelling errors throughout.

12May03-Additional proposed changes by amendment:

1. Directions for Use: Changed second paragraph under this section to read "Only for formulation into an insecticide for the following use(s): (1) turf."

[†]Formerly, a marketing partnership of American Cyanamid Company and Rohm and Haas Company, now wholly owned by Dow AgroSciences.

MACH 2* Manufacturing Use Concentrate

For Use in Manufacturing Formulations for Non-Food Crop Uses

Active Ingredient:

halofenozide: Benzoic acid, 4-chloro-,
2-benzoyl-2-(1,1-dimethylethyl) hydrazide..... 46%[†]

Inert Ingredients 54%

Total Ingredients 100%

[†] Nominal concentration

DANGER

Precautionary Statements

Hazard to Humans and Domestic Animals

Corrosive • Causes Irreversible Eye Damage

Do not get in eyes or on clothing. Wear protective eyewear (goggles, face shield or safety glasses). After product is formulated into end-use products, the use of protective eyewear is not required unless indicated by the MSDS of that product. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Users or handlers should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

First Aid

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact 1-800-992-5994 for emergency medical treatment information.

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an insecticide for the following use(s): (1) turf.

This product may be used to formulate products for specific use(s) not listed on this label if the formulator, user group or grower has complied with U.S.EPA submission requirements regarding the support of such use(s).

Consult Dow AgroSciences for instructions for formulation and other information.

Storage and Disposal
 Do not contaminate water, food or feed by storage or disposal.
Pesticide Storage: Store in a cool dry well-ventilated area.
Pesticide Disposal: Wastes resulting from the use of this product (that cannot be used according to label instructions) may be disposed of on site or at an approved waste disposal facility.
Container Disposal
Plastic Drum: Empty into appropriate equipment. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
Steps to be Taken if Material is Released or Spilled: Appropriate protective equipment must be worn when handling a spill of this material. Transfer spilled material to suitable containers for recovery or disposal. Contain spills immediately with inert materials (e.g., sand, earth). Transfer liquids and solid diking material to separate suitable containers for recovery or disposal. Keep spills and cleaning runoff out of municipal sewers and open bodies of water. Refer to Precautionary Statements.

Warranty Limitations and Disclaimer

Dow AgroSciences warrants that at the time of delivery, the product will conform to its chemical description on the label, that it will pass without objection in the trade under the contract description, that Dow AgroSciences will convey good title thereto, and that such product will be delivered free from any lawful security interest, lien or encumbrance.

This is the only warranty made on this product. Dow AgroSciences EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND, EXCEPT AS SET FORTH IN THE ABOVE PARAGRAPH, ANY OTHER EXPRESS OR IMPLIED WARRANTIES. Buyer acknowledges the use of its own independent skill and expertise in the selection and use of the product and does not rely on any oral or written statements or representations.

In case of emergency endangering health or the environment involving this product, call 1-800-992-5994.

Manufacturing Chemical: Do not ship or store with food, feeds, drugs or clothing.
