VMX Pet Products Corp.
600 Frank E. Rodgers Blvd., South
Harrison, NJ 07029

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.
2. Make the following labeling changes before you release the product for shipment:
 - a. Add the phrase, "EPA Registration No. 62725-1."
 - b. According to your Confidential Statement of Formula the nominal concentration for Tetrachlorvinphos is 98.7%. The label claim must reflect the nominal concentration of the active ingredient. Make the appropriate correction.
3. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

An insecticide for formulating use only

ACTIVE INGREDIENT
Tetrachlorvinphos: 2-chloro-1-(2,4,5-trichlorophenyl) vinyl dimethyl phosphate..... 9
INERT INGREDIENTS

EPA Reg. No. 62725-XXX

BEST AVAILABLE COPY

TOTAL
EPA Est. No.

KEEP OUT OF REACH OF CHILDREN

CAUTION

STATEMENT OF PRACTICAL TREATMENT

If swallowed, drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.
If inhaled--remove victim to fresh air. Apply respiration if necessary.
If on skin--remove contaminated clothing and wash affected areas with soap and water.
If in eyes--flush eyes for at least 15 minutes with water. Call a physician if irritation persists.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS

CAUTION Harmful if swallowed or absorbed through skin. May cause eye irritation. Avoid breathing dust. Do not get in eyes, on skin or on clothing. Avoid prolonged contact with skin. Wash thoroughly with soap and water after handling and before eating and smoking.

PROTECTIVE CLOTHING

When mixing/loading or otherwise handling the concentrate, wear mid forearm to elbow length chemical resistance gloves, long sleeve shirt, and long pants.

For medical emergencies involving this product call 201-481-4800

ENVIRONMENTAL HAZARDS

This product is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an National Pollutant Discharge Elimination System (NPDES) permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of federal law to use this product with its labeling. This pesticide may be used only as an insecticide for the following uses: (1) terrestrial non-domestic outdoor use and indoor use; (2) uses for which required data and/or citations of data that the formulator has on file in support of registration; and (3) uses for experimental purposes. Formulators responsible for obtaining EPA registration of their products should refer to available Technical Bulletin for formulating and use.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Do not reuse empty container.

STORAGE: Store in a dry place in original container. Do not store in large amounts of water. Decontaminate areas and equipment with a dilute solution of alkali (less than 5%) and detergent.

PESTICIDE DISPOSAL: Pesticide that cannot be used or stored should be disposed of at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty liner by shaking to loosen clinging particles. Empty residues into mixing tank or sanitary landfill or by incineration if allowed by state and local laws in the same manner.

WARRANTY

Seller makes no warranty, express or implied, as to the effectiveness or safety of this technical insecticide or other use products, other than that this product meets the specifications which it is manufactured. Buyer assumes all risk of loss of material.
