NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Universal Network, Incorporated
 10077 Grogan's Mill Road, Suite 200
 The Woodlands, TX 77380

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Add the phrase "EPA Registration No. 62745-3" to the label prior to releasing the product for shipment.
3. Submit one (1) copy of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed or absorbed through skin. Do not breathe vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs.

Do not use in commercial food processing, preparation, food storage or serving areas. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food should be covered or removed.

Remove pets, birds, and cover fish aquariums before spraying.

Statement of Practical Treatment

If Swallowed: Call a physician or poison control center immediately. **If in Eyes:** Flush with plenty of water. Get medical attention if irritation persists. **If on Skin or Clothing:** Wash with soap and warm water. Get medical attention if irritation persists. **If Inhaled:** Remove person to fresh air if effects occur, and call a physician.

Physical or Chemical Hazards

Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR SPACE SPRAY

To Kill Flies, Gnats, Mosquitoes, Small Flying Moths and Wasps: Before spraying, cover exposed food and utensils. Close all doors and windows and direct spray upward into center of room with a slow sweeping motion. Spray 5-10 seconds for average room. Keep room closed for 15 minutes after spraying. Ventilate room thoroughly before reentry. Sweep up and destroy fallen insects.

FOR SPOT TREATMENT

To Kill Ants, Cockroaches and Crickets: Contact as many insects as possible with the spray in addition to thorough spraying of all parts of the room suspected of harboring these pests. Special attention should be paid to cracks, hidden surfaces under sinks, behind stoves and refrigerators, food storage areas and wherever these pests are suspected of hiding. To kill ants, treat doors, around window frames, ant trails and other areas of entry. Repeat as necessary.

To Kill Exposed Forms of Confused Flour Beetles, Rice Weevils and Saw-toothed Grain Beetles: Find and destroy infested package goods. Remove all other items from pantry. Spray the shelves to kill any of the listed insects present. Place clean paper on the shelves and return packages after shelves have dried. Repeat as necessary.

To Kill Centipedes, Firebrats, Silverfish, Sowbugs and Spiders: Contact as many insects as possible with the spray. Also thoroughly spray all parts of the room suspected of harboring these pests. Special attention should be paid to cracks, crevices, hidden surfaces under sinks, behind stoves and refrigerators.

To Kill Brown Dog Ticks and Fleas: Remove and destroy pet's old bedding. Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks and local areas of floors. Repeat as necessary. **DO NOT SPRAY ANIMALS.** Old bedding should be removed and replaced with clean, fresh bedding after treatment. Also treat dogs and cats with a flea and tick control product registered for use on pets before allowing them to enter treated area.

FOR CRACK AND CREVICE

To Kill Ants, Brown Dog Ticks, Carpet Beetles, Cockroaches, Crickets, Fleas, Silverfish, Sowbugs and Spiders: Apply spray in small amounts directly into cracks and crevices. Equipment capable of delivering a pin stream should be used in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases where the above listed insects hide. Avoid contamination of food or food processing surfaces.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area away from heat or open flame. **Disposal:** Replace cap and discard container in trash. Do not incinerate or puncture.
