EYE CONTACT. WASH THOROUGHLY AFTER HANDLING.**

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: Children and pets should not be in treatment area until after application is completed. Avoid contamination of feed and foodstuffs. Avoid contamination of ornamental plants.

Application Directions

CARPETS: Apply to dry carpet only. Apply directly to carpets where pets frequently traffic or sleep at the rate of one pound per 100 square feet (31.5 mg/sq in). In other areas apply at the rate of one pound per 200 square feet (16 mg/sq in). Work product to the base of the carpet pile with a broom or rug rake, or use approved grooming equipment.

Visible product remaining after application must be removed by further grooming or by vacuuming.

Allow three to five weeks for maximum flea control. Reapply as necessary.

Note: If high adult flea population makes it desirable, apply a pesticide designed to kill adult fleas before or in conjunction with this product.

UPHOLSTERY: Remove loose cushions. Apply with approved applicator along creases and into corners and furniture wells. Do not apply to exposed fabric.

Any product visible after application must be removed.

STORAGE AND DISPOSAL

STORAGE: Keep container tightly closed when not in use. Store in original container, in a dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at a waste disposal facility.
