 REREГИSTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

Guardian Spray Insect Repellent

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Guardian Spray ~~Company~~
900 Lancer Way
Lobec, California 93243

5390405

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you

1. Continue to support the reregistration of the active ingredient in this product according to FIFRA section 3(c)(5) and section 4 under the same timetable as other affected registrants of List D pesticides. You have completed three of the five phases of the process. If later questions arise about completed phases, the EPA Case Review Manager for Garlic, Ernie Dobbins, will contact you. If you have questions about completing future phases of reregistration, you may contact Ms. Dobbins at 1-800-552-8879 or 202-308-8071.

2. Make the labeling changes listed below before you release the product for shipment.

- a. Add the phrase "EPA Registration No. 62998-1."
- b. On the left panel separate the two words, "manner" and "inconsistent"

cont., from page 1

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

EPA REG NO. 62998-1
EPA EST NO. 62998-CA-1
U.S. PATENT 7-323-830-4

MANUFACTURED BY....

GUARDIAN SPRAY COMPANY
900 LANCER WAY
LEBEC, CA 93243

NET WEIGHT PER GALLON : 8.25 lbs

MIXING DIRECTIONS

Thoroughly mix each gallon of Guardian Spray to 10 Gallons of water for one minute.

APPLICATION DIRECTIONS

Timing: For Vegetables, spray several days before blossoming. DO NOT apply just prior to or during pollination as Guardian Spray repels bees and, therefore, adversely affects pollination.

Methods of Application: Guardian Spray may be applied by air or ground equipment.

Rate of Application: Set equipment to apply diluted spray to the point of runoff, or about one gallon per acre.

Maximum Number of Applications: Two Applications per season.

After Tests: Guardian Spray will leave no "After Taste"

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE

Store only in original container in a cool, dry place inaccessible to children and pets.

DISPOSAL

Do not reuse empty container. Rinse thoroughly. Securely wrap in newspaper and discard in trash.
