OCT 18 1990

SCM Metal Products, Inc.  
11000 Cedar Avenue, Suite 100  
Cleveland, OH 44106

Attention: Harry D. Ambs

Gentlemen:

Subject: Cuprous Oxide-Arade AA  
EPA Registration No. 63005-1  
Your Submission Dated February 12, 1990  
EPA Received Date February 15, 1990

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comments listed below.

1. The ingredient statement must declare the name and percentage of each active ingredient and the total percentage of all inert ingredients. Therefore, the ingredient statement in your label should declare:

Active Ingredient:  
 Cuprous Oxide . . . . . 95.0%  
 Inert Ingredients: . . . . . 5.0%

The statement "~~Copper~~" should be placed below the ingredient statement and should be similar to:

Copper as metal \_\_\_\_\_ %

2. Special instructions must be given for the disposal of the pesticide and its container. These instructions must be grouped under the heading "Storage and Disposal," and should include the statement "Do not contaminate water, food, or feed by storage or disposal."

For proper disposal instructions, please consult PR Notice 83-3.

R:61924:Dutch:L31-11:KENCO:09/17/90:10/14/90:de:vo:ek:de

CONCURRENCES							
SYMBOL	H-7505-C						
SURNAME	V. Dutch						
DATE	10/18/90						

3. Your product can only have one signal word. The correct signal word for your product is "Caution." You must make the change on the label.
4. Please make all the necessary label changes according to the Label Improvement Program (LIP).

Should you have any further questions, please contact Veronica Dutch at (702) 557-7404.

Sincerely yours,

John H. Lee  
Product Manager (31)  
Antimicrobial Program Branch  
Registration Division (H7505C)
