Rhizopon AA #3 (0.8)

Plant Growth Regulator- Rooting Hormone
For Nursery or Greenhouse Use Only
Use to promote rooting of plant cuttings.
For difficult to root woody ornamental plants.

Ingredients:
Active ingredients
Indole-3-butyric acid 0.8 %
Inert ingredients . 99.2 %
Total 100.0 %

Exclusive USA importer: Hortus USA Corp., New York NY 10011
Made in Holland, EPA REG#63310-21, EPA EST#63310-HL-001

Net weight: xxx lb.

Keep out of reach of children
CAUTION

See additional precautionary statements on back panel.

Use Rhizopon AA to propagate new plants from cuttings. The new plants will have the same characteristics as the parent plant. Rhizopon AA treated cutting will expect to produce uniform roots all around the basal end of the cutting; the result is a beautiful symmetric plant.

Rhizopon AA #3 is used on more difficult to root plants.

Typical plants propagated using Rhizopon #3 (0.8): scanthropanax, apple (malus sp.), arbutus, arbutus, azalea var., beauty bush, birch, bitterweet, boxwood, camellia, catalpa, chaste tree, chestnut, choke berry, cotoneaster, crab apple, cryptomeria, dogwood, Douglas fir, escallonia, flowering quince, gardenia, germander, grape, hawthorn, heath, heather, hemlock var., hibiscus, holly (am., chin., eng.), juniper var., knotwood, laurel, lilac, locust, magnolia, manzanita, maple jap. var., matrimony vine, ninebark, oak, olive, orange (sour), pachysandra, pecan, pine var., privet, retinospora, rhododendron var., Russian olive, snowbell, sourwood, tulip tree, umbrella pine, yew var.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with labeling. For any requirements specific to your State or Tribe, consult the Agency responsible.

1. Take plant cuttings, usually 4-6 inch stem cuttings, from the current years growth. For woody cuttings usually wound by making a 3/4 inch notch at basal end.
2. Dip the basal end of the cuttings 3/4-1 inch into the Rhizopon AA powder. Tap off excess powder
3. Plant the cuttings immediately in moist media. Avoid contact between the powder and foliage and other over ground parts of the stem.
4. Take care of cuttings.

Take off a small portion of the powder for your immediate use. Do not contaminate this stock container by returning used portion to this container. Dispose of used portion.

STORAGE AND DISPOSAL

Store in a cool dry place. Keep in original container. Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Container disposal-triple rinse (or equivalent). Then offer for recycling, or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.

PRECAUTIONARY STATEMENTS

Hazards to humans and domestic animals.

CAUTION

Causes moderate eye injury. Harmful if inhaled or absorbed through the skin. Avoid contact with skin, eyes, or clothing. Avoid breathing dust (vapor or spray mist). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

STATEMENT OF PRACTICAL TREATMENT

If inhaled remove victim to fresh air. If not breathing give artificial respiration, preferably mouth to mouth. Get medical attention. If on skin wash with plenty of soap and water. If in eyes wash with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

Do not contaminate water when disposing of equipment wash waters. Do not apply directly to water, to areas where surface water is present or intertidal areas below the mean high water mark.

WARRANTY

It is warranted that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of application all of which is beyond the control of Rhizopon h.v. or Hortus USA Corp. In no case shall Rhizopon or Hortus be liable for consequential, special or indirect damages resulting from the use or handling of this product. All risks shall be assumed by the buyer. Rhizopon or Hortus USA make no warranties of merchantability or fitness for a particular purpose nor other express or implied warranty except as stated above.

AGRICULTURAL USE REQUIREMENTS

Use this product in accordance with the label and the Federal Insecticide, Fungicide, and Rodenticide Act, Standard, 40 CFR 170: The requirements for agricultural workers on handlers or agricultural workers. The requirements for agricultural workers are covered by the Worker Protection Act (WPA).

Do not apply this product in either directly or through application. For any requirements, consult the Agency responsible for pest control.

Entry-Restrictions: Do not enter restricted-entry interval (REI). The restricted-entry interval (REI) is:

- * the specific number of hours, days, or more;
- * 4 hours, if no specific number of hours is stated on the product labeling as the reentry interval.

The restricted-entry for this product is 4 hours. Follow the restricted-entry for this product.

Notification Instructions: Follow the notification instructions on the product label. Exception: If the product label offers a choice, you must choose one AND by posting signs as required by the WPA.

Personal Protective Equipment

- * Handler PPE: Pesticide handlers must wear the protective equipment specified on the product label for specific tasks while performing such tasks. In any case, at least: long sleeved shirt, long pants, and waterproof gloves.
- * Early Entry PPE: PPE required under the Worker Protection Act for those who enter or work on treated areas that has been treated, such as those listed on this product label. If the requirement is waived, in any case, at least: long sleeved shirt, long pants, and waterproof gloves.

Conflicting Instructions: If the instructions on this product label conflict with the instructions on the label of another pesticide, the instructions on this product label shall prevail.

Personal Protective Equipment

- Applicators and other handlers: Long sleeved shirt, long pants, and waterproof gloves.
- User Safety Recommendation: Users should:
 - Wash hands before eating, drinking, or using the toilet.
 - Remove clothing immediately if it becomes wet or soiled.
 - Remove PPE immediately after use and before removing. As soon as possible, wash the clothing.
