Family 120 Mosquito
Repellent Mats

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

FAMILY PRODUCTS SDN. BERHAD
c/o RegWest Company
P.O. Box 2220
Greeley, CO 80632-2220

Notes: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following changes to the label:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 63376-4".
- b. Revise the Statement of Practical Treatment to read: "If Inhaled: Unplug vaporizer and seek fresh air away from vapors. Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention."

3. Submit three copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Open foil pouch and remove one Family 120 Mosquito Repellent Mat. Slip mat into slot and onto heating element of vaporizer, then plug vaporizer into outlet. Family 120 Mosquito Repellent Mats efficiently destroy mosquitoes and flies in a room of up to 2,300 cu.ft. (approximately 15 x 19 x 8 ft.). One mat lasts ten hours. The mat turns white when the active ingredient has been exhausted. To remove spent mat: unplug vaporizer, turn sideways and allow the spent mat to fall out. For indoor use only when mosquitoes and/or flies are an annoyance. Do not use in rooms while people are sleeping.

STORAGE: Store mats in unopened pouch in a cool, dry (preferably locked) place, inaccessible to children and pets. **DISPOSAL:** Do not reuse empty pouches. Discard in trash. Securely wrap used mats in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS Hazards to Humans & Domestic Animals

CAUTION: Harmful if inhaled. Avoid breathing vapors. Remove pets from and cover aquariums in rooms being treated. Do not insert articles other than Family 120 Mosquito Repellent Mats into heater. Do not cover vaporizer with cloth or other material.

Statement of Practical Treatment

If Inhaled: Unplug vaporizer and seek fresh air away from vapors. Apply artificial respiration if warranted. Contact a physician if necessary.

VAPORIZER LABELING

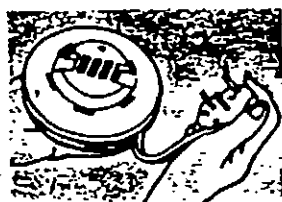

FAMILY VAPORIZER

The Effective Electric Mosquito and Fly Destroyer

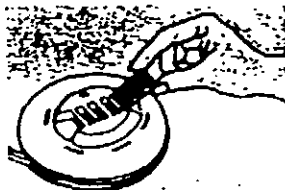

With Pilot Lamp

Use in combination with Family Mosquito Repellent Mats

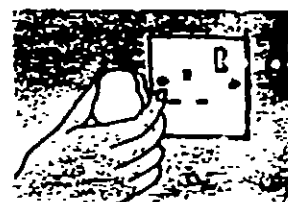

- Approved safety plug (3 pin or 2 prong)
- Available in four colors: orange, yellow, blue and green
- Retractable wire cord
- Consumes minimum electricity

a) Pull out retractable cord from the vaporizer

b) Insert mat into slot

c) Plug vaporizer into outlet

Family Vaporizer is specially designed with a retractable cord which is hidden in the unit itself. It is easy to use, clean and effective. Family Vaporizer unit with the unique built-in pilot lamp consists of a heating element, which uses a special built-in temperature control, thus giving you 10 hours protection from mosquitoes. Powered by 220V-5W, it consumes very little electricity to operate.
