SUBJECT: Application for Pesticide Notification (PRN 98-10) and 2001-6
Request General Label Change
EPA Reg. 63376-5
Application Dated October 10, 2008

Dear Registrant:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 and 2001-6 dated 10/10/08 for the above product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action(s) requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

Please note that the Agency has issued a Pesticide Registration Notice (PR) 2007-4: Labeling Revisions Required by the Final Rule "Pesticide Management and Disposal; Standards for Pesticide Containers and Containment Statements." All labeling must be updated by August 17, 2009.

If you have any questions, please call me directly at 703-305-6249 or Owen F. Beeder of my staff at 703-308-8899.

Sincerely,

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Use outdoors on or around patios, porches, etc. Keeps area free from mosquitoes for up to 4 hours in still air. Repels mosquitoes quick!

Remove Family Mosquito Repellent Stick from box. Ignite tip until it flames and invert to further ignite body of the Stick. When this occurs, blow out flame. It will now burn without flame and create a smoke to repel mosquitoes. Place bottom of stick end into ground around area to be protected, or if ground is not accessible in/around area, into containers (such as garden pots) filled with sand or dirt.

Place Family Mosquito Repellent Sticks every 10-12 feet. To extinguish, gently knock off glowing tip and extinguish tip into ground, dirt or sand.

Note: If cracks appear in body of stick, this is normal and in no way impedes its effectiveness.

[Storage and Disposal]
Storage: Store in a cool, dry place (preferably locked) inaccessible to children and pets and away from sources of heat or ignition. **Disposal: If empty:** Do not reuse this container; place in trash or offer for recycling if available. **Used Sticks:** Put ashes in trash. **If partly filled or for unused sticks:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
