**Subject: Amended Labeling, Responses to PR Notices 2007-4 & 2008-1  
Family Mosquito Repellent Sticks, EPA Reg. No. 63376-5  
Your Submission Dated May 18, 2010**

Dear Ms. Davis:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable with the following label revision provision(s):

Storage & Disposal section comment(s):

1. In order to facilitate inclusion of language from PR Notice 2007-4, revise this section to read:

**STORAGE & DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.  
**PESTICIDE STORAGE:** Do not store near heat or open flame. Store in original container in a cool, dry area away that is inaccessible to children or pets.  
**CONTAINER DISPOSAL: If empty:** Non-refillable container. Do not reuse or refill this container. Offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Precautionary Statements section, Hazards to Humans & Domestic Animals subsection comment(s):

2. Revise the 5<sup>th</sup> sentence in this subsection to read: "Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet."

First Aid section comment(s):

3. Revise the 3<sup>rd</sup> sentence within the "HOT LINE NUMBER" subsection to read: "For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-558-5252, Monday through Friday, 8:30 a.m. to 4:30 p.m. EST. After 5:00 p.m., call your poison control center."

A copy of your label stamped "Accepted with Comments" is enclosed for your records. Please submit two (2) copies of the final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

If you have any questions about this label review, please contact Mr. Carmen Rodia at (703) 306-0327 or via e-mail at [Rodia.Carmen@epa.gov](mailto:Rodia.Carmen@epa.gov).

Sincerely Yours,

Richard J. Gebken  
Product Manager (10)  
Insecticide Branch  
Registration Division (7504P)

**CAUTION**

See back panel for First Aid and additional Precautionary Statements.

Net Weight: 5.8 oz (165 gm)  
(5 Sticks of 1.16 oz. each (33 gm))

{Back Panel}

## DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Use outdoors on or around patios, porches, etc. Keeps area free from mosquitoes for up to 4 hours in still air. Repels mosquitoes quick!

Remove Family Mosquito Repellent Stick from box. Ignite tip until it flames and invert to further ignite body of the Stick. When this occurs, blow out flame. It will now burn without flame and create a smoke to repel mosquitoes. Place bottom of stick end into ground around area to be protected, or if ground is not accessible in/around area, into containers (such as garden pots) filled with sand or dirt.

Place Family Mosquito Repellent Sticks every 10-12 feet. To extinguish, gently knock off glowing tip and extinguish tip into ground, dirt or sand.

**Note:** If cracks appear in body of stick, this is normal and in no way impedes its effectiveness.

ACCEPTED  
 WITH COMMENTS  
 In EPA Letter Dated:  
 August 16, 2010  
 Under the Federal Insecticide, Fungicide  
 and Rodenticide Act, As amended, for the  
 pesticide Registered under EPA Reg. No.:  
 63376-5

**[Storage and Disposal]**

**Storage:** Store in a cool, dry, preferably locked place inaccessible to children and pets and away from sources of heat or ignition. **Disposal: If empty:** Non-refillable container; do not reuse or refill this container. Place in trash or offer for recycling if available. **Used Sticks:** Put ashes in trash. **If partly filled or for unused sticks:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans & Domestic Animals**

**CAUTION:** Avoid prolonged inhalation or contact with skin. Avoid contact with eyes or clothing. Do not touch lit end of stick. Do not use indoors. Wash thoroughly after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Cover any exposed food to avoid contamination. Do not place in direct contact with flammable objects, materials or surfaces.

**First Aid**

<b>If Inhaled</b>	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.</li> </ul>
<b>If on Skin or Clothing</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Immediately rinse skin with plenty of water for 15-20 minutes.</li> </ul>
<b>If in Eyes</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> </ul>
<p>Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [You may also contact {appropriate number} for emergency medical treatment information.]</p>	

*{Note: The first aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}*

**Environmental Hazards**

This product is toxic to fish and aquatic invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain do not blow or wash pesticide away from the treatment area.

515

**Physical or Chemical Hazards**  
Use with caution to avoid fire hazard.
