(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The registrant is advised that the registration of a pesticide under this Act is subject to the provisions of section 3(a)(7)(C) of the Act, which reads as follows:
1. The registrant shall be required to file with the Agency a copy of your label under section 3(a)(7)(C) of the Act, and the Agency shall not register a pesticide under this Act unless the registrant has filed such a copy with the Agency.
2. All the copies of the registration label shall be filed with you and you shall retain a copy of the label for the life of the registration.
3. The Agency may, at any time, require the registrant to file a copy of the label with the Agency.
4. If the registrant fails to file a copy of the label with the Agency, the Agency may, at any time, suspend or cancel the registration of the pesticide.
5. If the registrant fails to file a copy of the label with the Agency, the Agency may, at any time, suspend or cancel the registration of the pesticide.
6. For purposes of this section, the term "label" means the label as it appears on the container of the pesticide.
