North Oaks, MN 55127

5469268 $\frac{171}{18}$

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Add the phrase, "EPA Registration No. 63660-1" to your label before you release the product for shipment.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

STORAGE AND DISPOSAL

Storage: Store in original container at not less than 45° F. Preferably in a locked storage area to not contaminate water, food, or feed by storage or disposal.

Container Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

NOTICE:
Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its use, in such, or in combination with other materials.

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
Do not apply to food crops.

Apply Iris Guard in the spring after 2 consecutive days of 70° weather or above. Apply Iris Guard just before temperatures reach 70°.

How to Plant: (Late Summer - Early Fall)
Spray Rhizomes thoroughly on all surfaces.
Allow to dry well so soil is prepared for planting. Prepare soil as directed for iris. Spray prepared soil with a heavy mist. Plant iris one spray unit and distance is about 6" around each planting.
