

The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions:

For control of Iris Borer on the Bearded and Beardless Irises in the spring, mid-summer, and fall, and at transplanting. Do not apply to food crops.

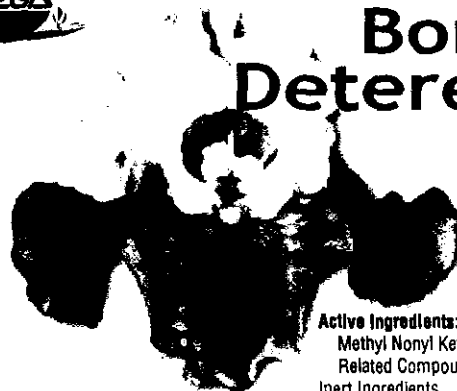

Application Directions:

- New Plants (Late Summer-Early Fall)**
Spray rhizomes thoroughly on all surfaces. Let dry. Prepare soil as directed. Plant iris and spray prepared soil 6 inches around plant.
- Established Plants (Spring and Fall)**
Note: In the spring, apply just before temperatures reach 70° F because iris borers hatch after 2 consecutive 70° F days. Only apply after sunset or on cloudy days to prevent sunspotting of leaves.
Spray heavy mist on all surfaces of leaves, exposed rhizomes, and soil between rows or bedding areas.
- Transplants (Spring through Fall)**
Note: Only apply after sunset or on cloudy days to prevent sunspotting of leaves.
Spray heavy mist on all surfaces of leaves and rhizomes. Let dry. Prepare soil as directed. Plant iris and spray prepared soil 6 inches around plant.

Re-Application Directions:

Reapply after 1. growth-retarding, cold weather or 2. after a series of drenching rains and growth spurts.

Manufactured for Egle Agricultural, Inc.,
1400 Norwest Center, 55 E. 5th Street, St. Paul, MN 55101

Iris Borer Deterrent

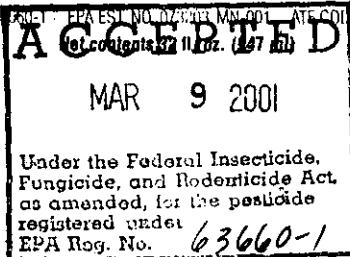

Active Ingredients:

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wear gloves when applying. Wash hands before eating, drinking, chewing gum, using tobacco, or the toilet.

FIRST AID

Have label with you when seeking treatment advice. Call 1-800-784-7861 (Poison Control) or your Doctor.

If in eyes:

- Hold eye opened and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing the eyes.

If on skin or clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.

ENVIRONMENTAL HAZARDS

Do not apply directly to water.

PHYSICAL AND CHEMICAL HAZARDS

Flammable. Keep away from heat, sparks and open flames.

STORAGE AND DISPOSAL

Storage: Store only in a cool (45° F or less), dry place inaccessible to children and pets, away from heat or open flame.

Disposal: When empty, replace cap, securely wrap in newspaper, and discard in trash.

NOTICE:

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions of established safe practice.
