	TERM OF ISSUANCE Conditional	
NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> REGISTRATION <input type="checkbox"/> REREGISTRATION (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)		
NAME OF PESTICIDE PRODUCT Everseal TT-P-59 Preservative Canvas Coating		

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Spraylat Corporation
 716 South Columbus Avenue
 Mount Vernon, New York 10550-4795

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 4(c)(7)(A) provided that you:

1. Submit additional data required for registration reregistration of your product under FIFRA sec. 4(c)(7)(A) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Add the phrase, "EPA Registration No. 63699-1" and submit five (5) copies of your final printed labeling before you release the product for shipment.
3. Under "Precautionary Statement", please revise as follows: "Do not get on skin or clothing." "Do not get in eyes."
4. Change "First Aid Instructions" to "Statement of Practical Treatment." Please revise statements as follows: "If on skin: Wash with plenty of soap and water. Get medical attention if irritation persists." "If in eyes: Hold eyelids open and flush with a steady, gentle stream of water for at least 15 minutes. Get medical attention." "Wash after handling."
5. Under "Environmental Hazards", change the statement "Treated effluent should not...water" to read "Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark."

7. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these condition are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

Cd Giles - Parker
