SEP 14 1993

Term of Issuance:  
Conditional

NOTICE OF PESTICIDE:  
  X   Registration  
      Reregistration  
  
(under FIFRA, as amended)

Name of Pesticide Product:  
Everseal TT-P-595  
Preservative Canvas  
Coating

Name and Address of Registrant (include ZIP Code):  
Sprylat Corporation  
716 South Columbus Avenue  
Mount Vernon, NY 10550-3035

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes listed below before you release the product for shipment:

- a. Add the phrase, "EPA Reg. No. 63699-2".
- b. In the precautionary statement after the heading Hazards to Humans and Domestic Animals add the Signal Word CAUTION.
- c. Move the statement "It is a violation..." directly below the heading Directions For Use

Signature of Approving Official:   /5/  

Date:  
SEP 14 1993

2073

page 2  
EPA Reg. No. 63699-2

d. Assure the ANALYSIS stated on the left panel is identical to Confidential Statement of Formula dated July 30, 1993.

3. Submit one (1) copy of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Cynthia Giles-Parker  
Product Manager (22)
