└

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 64039-1".
 - b. Revise "Herpesvirus 2" to read: Herpes simplex Type 2
 - c. Revise "Distributed by" to read: Manufactured by
 - d. Include the reference asterick next to the word: Virucidal* (front panel).

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

- e. Center the signal word: "Warning" to appear directly below the Keep Out of Reach of Children. (Center Panel)
- f. Delete the statement "includes emollient for skin protection"
- g. Revise the Physical/Chemical Hazards statement to read:
Flammable. Keep away from heat and open flame.
- h. Revise the precautionary statement section to read:
Causes eye irritation. Do not get into eyes or on clothing. Harmful if swallowed. Avoid breathing vapors. Avoid contamination of food. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.
- i. Identify the type of surfaces intended for treatment. Such as floors, walls, table/counter tops
- j. Include a statement in the use directions to include the necessity for removal of gross filth or heavy soil prior to cleaning.
- k. Include the following headings:

Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

- l. Under the HIV section, include the following subheading and statement.

CONTACT TIME: Leave surfaces wet for 5 minutes.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

John H. Lee 
 Product Manager (31)
 Antimicrobial Program Branch
 Registration Division (H7505C)
