UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

MAR 31 2010

Ms. Georgia Anastasiou
Combat Insect Control Systems
c/o Henkel Consumer Goods Inc.
19001 N. Scottsdale Rd.
Scottsdale, AZ 85225

Subject: Label Notification(s) for Pesticide Registration Notice 2007-4

Dear Ms. Anastasiou:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notice PRN 2007-4 dated March 1, 2010 for the following product(s):

Combat Ant Bait F1 (EPA Reg. No. 64240-30)
Combat Large Roach Bait F.03 (EPA Reg. No. 64240-34)
Combat ABF7 (EPA Reg. No. 64240-42)
Combat Quick Kill Roach Killer Gel (EPA Reg. No. 64240-45)
Combat QK Roach Killing Gel F45 (EPA Reg. No. 64240-63)

The Registration Division (RD) has conducted a review of this request for applicability under PRN 2007-4 and finds that the label change(s) requested falls within the scope of PRN-98-10. The label has been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact Regina Foushee'-Smith at 703-605-0780.

Sincerely,

Richard J. Gebken
Product Manager
Insecticide Branch
Registration Division (7505P)

2009

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL INFORMATION

[THIS IS] [HOW] [THIS PRODUCT] WORKS:

1. Roaches enter [the] bait station and eat the bait.
2. Roaches take bait back to the nest.
3. Roaches share the bait, killing other roaches and destroying the nest.

-or-

THIS IS HOW COMBAT® WORKS:

1. Roaches enter [the] bait station and eat the bait.
2. Roaches return to their nest and die.
3. Other roaches eat them and die creating a chain reaction.

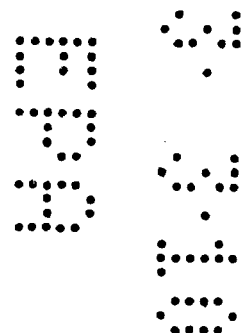

- EASY TO USE
- NOTHING TO ACTIVATE
- NO VAPOR, FUMES, [MESS] OR ODOR

EFFECTIVENESS GUARANTEED:

COMBAT® Insect Control Systems stands behind this insect killing system with a full Satisfaction Guarantee. Should you have any questions regarding COMBAT® baits, please call 1-800-426-6228.

MOST LIKELY PLACES TO FIND ROACHES

[Place bait stations wherever you see roaches.] [Here are the areas where roaches are commonly found.] [Use 8 bait stations at one time.]

Kitchen:

Under/around sink	On counters	Near doors
Under refrigerator	In cupboards/drawers	On floor/in corners
Under stove	Near garbage cans	

Bathroom:

Behind toilet	Near shower/bathtub	On floor/in corners
Under/around sink	Inside cabinets/drawers	

– or –

The kitchen, bathroom and other points of entry (garage, basement, attic, doors, windows) are the most important locations. – or –

The kitchen and bathrooms are the most important locations, but use COMBAT® bait stations wherever roaches have been found (laundry room, garage, bedrooms, attic, living room).

FOR LARGE ROACHES, WATERBUGS & PALMETTO BUGS:

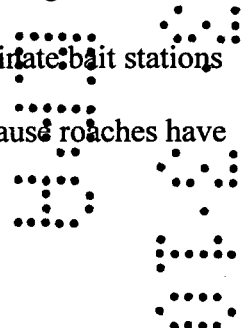

This product is specifically designed for large roaches, waterbugs & palmetto bugs.

Small, 1” to 1 1/2 “ Cockroach Habits:

Primarily live and breed outdoors and enter homes in search of food. For effective control, bait stations should be placed where roaches can enter your home.

APPLICATION INSTRUCTIONS

- Use all 8 baits [at one time].
Break baits apart.
Do not remove or puncture the labels on bait stations.
Place baits wherever you see – or – have seen roaches [or signs of roaches].
[TIP:] Place baits about 1 ½ feet away from each other.
Place any remaining baits in likely roach hiding places (as shown in diagrams above – or – to the right – or – left).
- [Baits work best when] Place[ed] [baits] properly so that they are touching walls or corners.
[Do not use sprays or foggers around bait stations] [: they can contaminate bait stations and reduce effectiveness.]
- Replace all ___ baits every 3 months, or sooner if roaches return [because roaches have probably eaten all of the bait inside.]

7099

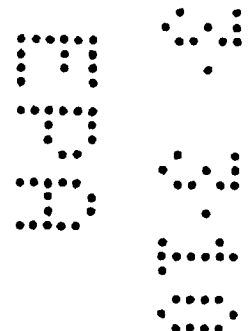

Note: ***Bold, Italicized text is information for the reader and is not part of the label.***
[Bracketed information is optional text.]
Underlined or Highlighted text is new.

[Remove wrapper and separate bait stations from plastic frame. – or – Remove wrapper and tear apart along perforation lines.] [Now the baits are ready to use.] [For best results, use all 8 bait stations at one time.] – or – [Put out all 8 baits. If you have fewer than 8 places where you have seen roaches, place the extra baits about 1 ½ feet away from the other baits that you have just placed.] [Some of the most likely locations for roaches are shown in the diagram to the right.]

[**TIP:**] [Roaches find the bait faster when more bait stations – or – baits are placed out.] [Use enclosed adhesive squares when placing baits on walls or upside down.] [Use enclosed stickers as needed. It is not necessary to use stickers on all baits.] [Bait stations work best on horizontal surfaces touching corners and next to walls.] [Use enclosed stickers as needed for vertical surfaces.]
