

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505C)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg.
Number:

64240-43

Date of Issuance:

SEP 30 2003

NOTICE OF PESTICIDE:
 Registration
 Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Combat IPS

Name and Address of Registrant (include ZIP Code):

**Black Flag Insect Control Systems
P.O. Box 493
Pleasanton, CA 94566-0803**

Labels and other information that are required to be placed on the label in connection with this registration must be submitted to the Registration Division prior to use of the label in commerce. In any correspondence, refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes before you release the product for shipment:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 64240-43".

Signature of Approving Official:

Daniel C. Kenny, Product Manager (01)
Insecticide-Rodenticide Branch, Registration Division (7505C)

Date:

SEP 30 2003

3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records. If you have any questions or comments about this letter, please contact Stephanie Nguyen at (703) 605-0702.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact any person or pet, either directly or indirectly. Keep people and pets out of the area during application.

[Remove (gray) tab from top of sprayer before initial use.]

FOR HOUSEHOLD USE ONLY: Important. Use only as a surface spray. Hold can in upright position to spray. Shake well before use. Direct spray away from face. Hold can 6 to 12 inches from surfaces, spraying at a rate of 1 foot per second or until surfaces are wet. For long lasting residual action, leave spray residue undisturbed. More frequent applications will be required to maintain control on plywood surfaces. Repeat treatment as necessary.

-or-
FOR HOUSEHOLD USE ONLY: Hold can upright to spray. Hold can 6 to 12 inches from surfaces, spraying until surfaces are wet. Do not spray into air; spray surfaces only. Spray away from face. Repeat spraying as necessary.
[For a narrow spray remove the (yellow) (plastic) extension tube and firmly insert it in -or- into the spray tip.]

	<p>ROACHES, PALMETTO BUGS, WATERBUGS, CRICKETS, CENTIPEDES, SILVERFISH, FIREBRATS, SCORPIONS AND SPIDERS</p>	<p>Spray directly on insects when possible. Thoroughly spray cracks, crevices, baseboards, underneath chairs, tables, kitchen shelves, cupboards, sinks, refrigerators, around points of entry such as window sills, around garbage containers and other places where insects habitate.</p> <p>-or- Spray directly on roaches, in cracks, along baseboards, under refrigerators and sinks, in cupboards, and in other roach hiding places.</p>

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS -or- PETS

ENTRY RESTRICTION: Do not allow people or pets to enter the treated area until spray has dried.

WARNING: May cause skin irritation. Harmful if swallowed or absorbed through the skin. Avoid contact with skin and clothing. Avoid breathing spray. Avoid eye contact. User should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. If pesticide contacts clothing, remove immediately. Then wash thoroughly and put on clean clothing. Do not apply to humans, pets, dishes or utensils. Do not use this product in food areas of commercial food handling establishments, restaurants or other places where food is prepared or processed. Do not contaminate feed or foodstuffs. Do not smoke while using. Provide adequate ventilation of areas being treated.

FIRST AID:

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **IF SWALLOWED:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. Call a poison control center or doctor for further treatment. Have the product container or label with you when calling a poison control center or doctor or going for treatment. Questions? Call 1-800-426-6228. **NOTE TO PHYSICIANS:** Contains petroleum distillate - vomiting may cause aspiration pneumonia. Contains an N-methyl carbamate that inhibits cholinesterase. Probable mucosal damage may contraindicate the use of gastric lavage.

PHYSICAL OR CHEMICAL HAZARDS:

FLAMMABLE. CONTENTS UNDER PRESSURE. Keep away from heat, sparks [, -or- and] open flame [and] pilot lights. Do not puncture or incinerate -or- burn container -or- can. Exposure to temperatures above 130°F may cause bursting. -or- Temperatures above 130° F may cause can to burst. Do not smoke while using. Avoid excessive wetting of plastic, vinyl or asphalt tile floor surfaces.

ENVIRONMENTAL HAZARDS:

This product is toxic to wildlife and aquatic invertebrates. Do not apply directly to water. Do not contaminate water by disposal of wastes. Do not apply as a landscape treatment [to lawns, shrubs, trees, or garden plants].

STORAGE AND DISPOSAL:

Disposal: Do Not Puncture or Incinerate! **If Empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
