Georgia Anastasiou  
Agent for Combat Insect Control Systems  
c/o Lewis & Harrison, LLC  
Electronic Transmittal: georgia@lewisharrison.com

Subject: Notification per PRN 98-10 – Application to Revise Marketing Claims.  
Product Name: “Soft Scrub with Bleach”  
EPA Registration Number: 64240-44  
Received Date: March 16, 2022  
Action Case Number: 00346995

Dear Ms. Anastasiou:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Assurance.

If you have any questions, you may contact Michael Varco at 202-566-0667 or via email at Varco.Michael@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Demson Fuller".

### **NOTIFICATION**

64240-44

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

11/02/2022

**PRECAUTIONARY STATEMENTS: Hazards to Humans (&) (and) Domestic Animals.**

**WARNING:** Causes substantial but temporary eye injury. Do not get in eyes on skin or (on) clothing. May cause skin irritation. For sensitive skin or prolonged use, wear gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or going to the toilet. Remove and wash contaminated clothing before reuse.

**First Aid:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes and continue rinsing eye.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. In either case, call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

**Physical & Chemical Hazards:** Contains bleach. Avoid contact with clothes, fabric or carpet. Do not use or mix with [other] [household] cleaning products [or other chemicals] as hazardous gases may result.

*{Note to Reviewer: Per PR-Notice 2007-4, this product will receive a batch code. The number will be laser-coded or otherwise imprinted on the primary package.}*

Beginning of Batch Code indicates Est. No.

May include the following or other illustrations or graphic depictions of the container in use or other usage sites as permitted by accepted label claims.

**Soft  
Scrub**

*Sponge image*

*Clock image to be used only with cleaning claims*

**DIRECTIONS FOR [HOUSEHOLD] USE:** It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE [THOROUGHLY] BEFORE USE.

**To clean:** Squeeze directly onto [tough stains] [surface] or onto (a) damp sponge. Rub [to visibly wet all surfaces thoroughly]. Rinse or wipe clean.

**To disinfect toilet bowl:** Flush. Apply [ $\frac{1}{2}$  cup] [4 oz] of product to sides of bowl to kill gram-negative bacteria. Brush to visibly wet all surfaces thoroughly, including under the rim. Let stand 10 minutes before flushing.

**To disinfect hard nonporous surfaces:** Apply at full strength and leave on 3 minutes [before wiping clean]. For visible soil, pre-clean surface before disinfecting.

**To remove stains caused by mold and mildew:** Leave on 5 minutes. Rinse or wipe clean. For visible soil, pre-clean surface before applying product.

Close cap after use. [If product will not [release] [dispense], [squeeze bottle sides] [briefly unscrew cap] to allow air into bottle.]

**ATTENTION:** For use on sinks, tubs, showers, glazed tile, counters, toilets. Prolonged contact on delicate surfaces may cause discoloration. Rinse promptly after standing time. On delicate surfaces that may scratch, like plastic, appliance enamel, sealed fiberglass, sealed cultured marble, and sealed natural stone: Use sparingly; rub gently with a damp sponge, rinse. Do not use on copper, brass, silver, aluminum, wood, painted surfaces, or rubber items. For unfamiliar surfaces, test in a small, inconspicuous area first.

***Note to Reviewer:***

***Below are the Storage & Disposal Statements for Product Distributed Only for Household Residential Use***

**Storage & Disposal**

Store in a cool, well-ventilated area inaccessible to small children and pets. Non-refillable container. Do not re-use or refill this container. Offer for recycling if available or discard in trash.

\*\*\*\*\*

***Note to Reviewer:***

***Below are the Storage & Disposal Statements for Product Distributed for All Uses Other Than Household Residential Use***

**Storage & Disposal**

Do not contaminate water, food, or feed by storage and disposal

**Pesticide Storage:** Store in a cool, well-ventilated area inaccessible to small children and pets.

**Pesticide Disposal:** To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program.

**Container Handling:** Non-refillable container. Do not re-use or refill this container. Offer for recycling if available or discard in trash.

### Optional Claims for Front or Back Panel

#### Disinfectancy-related bullets/bursts/sentences:

1. Bleaches out stains & disinfects

\*\*\*\* This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with bloodstream or normally sterile areas of the body; or, (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization of high level disinfection.

### **Emerging Viral Pathogen Claims**

This product qualifies for emerging viral pathogen claims per the EPA’s ‘Guidance to Registrants: Process for Making Claims Against Emerging Viral Pathogens not on EPA-Registered Disinfectant Labels’ when used in accordance with the appropriate use directions indicated below.

This product meets the criteria to make claims against emerging pathogen claims from the following viral categories:

- Enveloped viruses
- Large non-Enveloped viruses

<b><i>For an emerging viral pathogen that is a/an...</i></b>	<b><i>...follow the directions for use for the following organisms on the label</i></b>
Enveloped virus	Rhinovirus Type 39
Large, non-enveloped virus	Rhinovirus Type 39

[Product name] has demonstrated effectiveness against viruses similar to [name of emerging virus] on hard, non-porous surfaces. Therefore, [product name] can be used against [name of emerging virus] when used in accordance with the directions for use against Rhinovirus Type 39 on hard, non- porous surfaces. Refer to the [CDC or OIE] website at [pathogen-specific website address] for additional information.

[Name of illness/outbreak] is caused by [name of emerging virus]. [Product name] kills similar viruses and therefore can be used against [name of emerging virus] when used in accordance with the directions for use against Rhinovirus Type 39 on hard, non-porous surfaces. Refer to the [CDC or OIE] website at [website address] for additional information.
