Date of Issuance:  
03/11/2010

Term of Issuance:  
Conditional

Name of Pesticide Product:  
Combat QK Roach Killing Gel Bait Station

NOTICE OF PESTICIDE:  
  x   Registration  
Reregistration  
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Combat Insect Control Systems  
Henkel Consumer Goods, Inc.  
19001 N. Scottsdale Rd.  
Scottsdale, AZ 85255

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for the registration review of your product.
2. Make the following labeling changes before you release the product for shipment:
  - a. Revise the EPA Registration Number to read: "EPA Registration No. 64240-66"

Signature of Approving Official:

*Richard Gebken*  
Richard Gebken  
Product Manager (RM 10)  
Insecticide Branch  
Registration Division (MC 7505P)

Date:

March 11, 2010

3. Submit final printed label bearing the above stated revisions prior to releasing this product for sale.

Please note that the label for this product was approved with the understanding that the labeling is consistent with that of the me-too products. If you fail to comply with the above stated conditions, this registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes your acceptance of these conditions.

See enclosed stamped label for your records. If you have any questions concerning this action, please contact Dr. B. A. Akinlosotu at (703) 605-0653.

**PRECAUTIONARY STATEMENTS:  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS.**

**CAUTION:** Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

**FIRST AID:** IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice. IF IN EYES: Hold eye open, rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

**PHYSICAL OR CHEMICAL HAZARDS:** Do not use this product in or on electrical equipment due to the possibility of a shock hazard.

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in a cool, dry area out of reach of children.

**DISPOSAL:**

**If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If recycling is not available, place in trash.

**If partly filled:** Call your local solid waste agency [or 1-800-CLEANUP] for disposal instructions. Never place unused product down any indoor or outdoor drain.

**If you have questions regarding the use of this product, please call the Combat® helpline at 1-800-426-6228 for information.**

*{ Note to Reviewer: Per PR-Notice 2007-4, this product will receive a batch code. The batch code number will be laser-coded on each primary package of the product after the container is sealed. }*

## **DIRECTIONS FOR USE:**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.  
Do not use for control of insects other than those listed on this label.

[COMBAT®] [*Alternate Brand Name listed on page 1*] [This product] may be used for the indoor and outdoor (adjacent to homes & structures) control of cockroaches in residential areas.

1. [To open,] H[h]old the bait station upright with the seal facing up and peel the seal from the top of the bait station. [Discard seal in trash.]
2. Use all [1-18] bait stations. Place bait stations where you frequently see roach activity and where roaches may enter your home. [The] [D][d]iagram[s] [above] [below] [at right] [at left] shows recommended placement locations. [For outdoor use (adjacent to the home), bait stations may be secured to the ground[, if desired,] by inserting [one] [one or two] [of the] stake[s] [enclosed] [provided] through [the][one of the] [both] hole[s] in the base of the bait station.]
3. Do not spray insecticide on or around the bait station[s,] as sprays will contaminate baits and reduce effectiveness.
4. Replace after 3 months.

**Optional Claims for front or back**

- Easy to use
- No vapors or fumes
- Fast control of even large roaches
- Long residual action
- Ideal for use with COMBAT® [product name]
