Ms. J. Evelyn Lawson
Maxforce Insect Control Systems
P.O. Box 493
Pleaston, CA 94566-0803

Dear Ms. Lawson:

Subject: Amendment - Label & Confidential
Statement of Formula (CSF)
Maxforce Roach Control System Formula 18493
EPA Registration No. 64248-3
Your Submissions dated November 8 & 10, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable subject to the comments listed below. A stamped copy is enclosed for your records.

1. The revised alternate CSF A2 dated 7/03/95 is acceptable and the information has been inserted in the file for the subject product.

2. The terms "New" and "Improved Formula" can be used on labeling produced for a period of six months from the date of this approval.

3. We note your request to withdraw Alternate Formula A1

Sincerely yours,

George T. LaRocca
Product Manager (13)
Insecticide-Rodenticide Branch
Registration Division (7505C)

ROACH CONTROL SYSTEM FORMULA 18493

Small Cockroaches

- Kills Eggs
- Breaks the Roach Life Cycle
- EggStopping Ingredient (or Formula)
- Prevents Egg Production
- Prevents Roach Reproduction
- Prevents Egg Hatching
- Inhibits Egg Production
- Inhibits Roach Reproduction
- Inhibits Egg Hatching
- Reproduction Inhibiting Ingredient (or Formula)
- Egg Inhibiting Ingredient (or Formula)
- Patented Action EGG Control
- Sterilizes female roaches
- Creates females that are unable to produce eggs.

- As The Domino Effect™ spreads through the roach population, most roaches are killed, and still others lose their ability to produce eggs.
- This product's patented action formula kills roaches and eggs.
- As The Domino Effect™ spreads through the roach population, roaches that are affected either die or lose their ability to produce eggs.
- This product offers (or provides) complete roach control.
- This product offers (or provides) maximum roach control.
- This product offers (or provides) maximum egg control.
- This product causes pregnant (or egg-bearing) roaches to lose their eggs, and prevents inhibits production of new eggs in the population.

- Controls roaches two ways, by killing adults and preventing reproduction in others.
- This product attacks (or disrupts) the reproductive system (or cycle) of roaches.
- Depending on the amount of poison ingested, this product works by either killing or sterilizing the roaches.
- Kills roaches and the eggs they carry 24 hours a day, 7 days a week.
- Kills roaches and the eggs they carry while you sleep.
- Kills roaches and eggs while your sleep.
- Kills roaches and eggs 24 hours a day, 7 days a week.
- Destroys (or Kills) the egg machine.

Large Cockroaches

- Even kills roaches resistant to pyrethroids and organophosphates.

- New! Improved Roach Control
- New! Greater Roach Control

- New! Better Roach Control
- New Improved Formula

MAXIFORCE®

ROACH CONTROL SYSTEM FORMULA 18493

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. [Break bait stations away from the plastic frame and] Place in areas where large cockroaches have been seen and where they hide. Large cockroaches hide near or in floor drains and other exposed plumbing fixtures, near basement windows and doors, sewers, steam tunnels, and where food is prepared and stored. For outdoor use, place bait stations in areas adjacent to structures where roaches may rest or breed, for example on decks, stairs, and patios; around woodpiles, plants and trees; near vents, pipe chases, electrical conduits, windows, and other points of entry. -or-
1. [Break bait stations away from the plastic frame and] Place in areas where cockroaches have been seen and where they hide. Cockroaches infest dark, warm, damp locations.
2. The stickers provided in the box -or- bag can be used to attach bait stations to vertical surfaces if desired. -or-
2. The bait stations can be stuck to a vertical surface by peeling off the bottom label to expose adhesive.
3. For effective roach control use 2-3 -or- 4-6 bait stations per 100 square feet of horizontal surface area. Place adjacent to walls and flush in corners.
4. Do not spray the bait stations. **Avoid placing the bait stations on freshly sprayed surfaces.**
5. Roaches will begin eating the bait immediately and you should expect to see fewer roaches within two weeks.
6. Replace **all stations every 3 months** for continual control of large cockroaches. -or-

6. Inspect all bait stations and replace as needed for continual control of roaches.

This product is specially designed for large cockroaches, such as American and Oriental roaches, as well as waterbugs and palmetto bugs. It may be used indoors and outdoors for the control of cockroaches in any area where large cockroaches are a problem, such as residential, warehousing and commercial establishments, including food service, food manufacturing and food processing facilities, hospitals, schools, day care centers, nursing homes, health care facilities, laboratories, computer and electronic equipment facilities, pet shops, zoos, basements, buses, boats, trains, and aircraft. This product has an odorless bait that cockroaches eat even in the presence of other foods and is packaged in a child-resistant bait station.

-or-

This product may be used for the control of small cockroaches, such as German or Brown-Banded roaches, in any area where they are a problem, such as residential, warehousing and commercial establishments, including food service, food manufacturing and food processing facilities, hospitals, schools, day care centers, nursing homes, health care facilities, laboratories, computer and electronic equipment facilities, pet shops, zoos, basements, buses, boats, trains, and aircraft. This product has an odorless bait that roaches eat even in the presence of other foods and is packaged in a child-resistant bait station. The patented transparent red top enables you to monitor bait consumption while providing roaches their preferred environment, darkness, because roaches do not see light in the red spectrum.

PRECAUTIONARY STATEMENTS:

CAUTION: HAZARDS TO HUMANS AND DOMESTIC ANIMALS: May be harmful if swallowed.

STATEMENT OF PRACTICAL TREATMENT: If swallowed, drink two glasses of water. Do not induce vomiting or give anything by mouth to an unconscious person. Get medical attention. In case of emergency, call day or night 1-800-426-6228.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Do not remove bait(s) -or- [bait stations] from container -or- station(s). Wrap used containers -or- [bait stations] and put in [a garbage can] -or- [trash can].
