PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or inhaled. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes or clothing. Avoid contamination of food and feed. Do not leave container where children or animals may gain access. In hospitals, patients must be removed prior to treatment of the area. Ventilate area for two hours before returning patients.

STATEMENT OF PRACTICAL TREATMENT

IF INHALED: Remove person to fresh air. Apply artificial respiration if indicated. Contact a physician if warranted.
IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists. **IF ON SKIN:** Remove contaminated clothing and wash skin with soap and water. Contact a physician if irritation persists. Wash clothing prior to reuse.
IF SWALLOWED: Drink one or two glasses of water and contact a physician immediately.

IN CASE OF A MEDICAL EMERGENCY involving this product, call **CHEMTREC® (800) 424-9300** or your local poison control center.

ENVIRONMENTAL HAZARDS

FLEBOR carelessly spilled or applied to cropland or growing plants, including trees and shrubs, may kill or seriously retard plant growth. Cover plants and nearby soil with plastic to avoid contamination. Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the high water mark.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use in edible product areas of food handling establishments, restaurants or other places where food is commercially prepared. Do not use in serving areas while food is exposed. Avoid contamination of feed and foodstuffs.

STORAGE AND DISPOSAL

Do not contaminate food or feed by storage or disposal.

STORAGE: Store in dry place. Do not store where children or animals may gain access. Protect from freezing.

PESTICIDE DISPOSAL: Do not contaminate water when disposing of equipment washwaters. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse or equivalent. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

APPLICATION INSTRUCTIONS

Thoroughly vacuum all furniture, upholstery, carpeting, rugs, and pet bedding before application. Seal and discard vacuum bag and collected debris. Remove pets during product application and allow treatment to completely dry before reintroducing pets into treated areas. Best results are obtained when combining this treatment with a simultaneous treatment of pets using a product approved for use on pets. Although FLEBOR will kill adult fleas, better knock-down of adult fleas may be obtained by simultaneous use of another approved insecticide.

Apply to carpets, area rugs, upholstery and floor cracks. Perform application using a fine, uniform spray to carpets and area rugs at the rate of one (1) gallon of solution per 750 to 1,250 square feet of surface, depending upon density and thickness. Treat to dampness, but do not saturate. Entire areas of rugs and carpeting may be treated.

Pay particular attention to application of pet bedding and resting areas. Apply in cracks and crevices along baseboards and under furniture and furniture cushions. Cement and concrete floors may also be treated using a rate of one (1) gallon of solution per 1,250 square feet of surface area.

NOTE: Freshly treated concrete floors may be slippery.

Carpet Beetles, Dust Mites and Household Fungus: Vacuum thoroughly before treatment and seal and discard bag with collected debris. Apply uniformly as a fine, uniform spray to affected areas of carpets, rugs, or upholstery at the rate of one (1) gallon of solution per 750 to 1,250 square feet of area, depending upon density and thickness. Treat to dampness, but do not saturate. Entire areas of rugs and carpeting may be treated.

CLEAN UP: Use soap and water to clean tools.

FLEBOR is not recommended for application to wood floors, linoleum or ceramic tile surfaces due to the possible creation of a slippery surface or light residue. It is not recommended to walk on surfaces treated with FLEBOR until completely dry.

WARRANTY LIMITATIONS AND DISCLAIMER

Because of varying conditions affecting use and application, manufacturer warns buyer that these may impair or vary the results or effects of the use of this product. Neither the manufacturer nor seller shall be liable in respect to any injury or damage suffered by reason of the use of this product for a purpose not indicated by the label or when used contrary to the directions or instructions hereon nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms and assumes all risk of usage and handling except when used or handled in accordance with this label.
