Precautionary Statements

Environmental Hazards: Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high-water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

Physical/Chemical Hazards: Do not mix or allow contact with an oxidizing agent. Hazardous chemical reaction may occur.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Place bait in areas inaccessible to children and pets.

BORA BAIT Liquid Ant Bait may be used full strength or can be diluted with water to obtain a 1% or 2% solution. This may be helpful if you need a large volume of BORA BAIT Liquid Ant Bait to control very large, multi-queen or multi-colony ant infestations.

Do not contaminate this product with other pesticides. If this product becomes contaminated with another pesticide it will lose its effectiveness. Do not apply directly to food and avoid contamination of feed and foodstuff. Do not treat pets with this product. Place stations in areas accessible to insects but inaccessible to children and pets.

Dilution Instructions

1% Dilution: Add 1 part BORA BAIT Liquid Ant Bait to 5 parts water. Mix thoroughly.

2% Dilution: Add 1 part BORA BAIT Liquid Ant Bait to 2 parts water. Mix thoroughly.

1% Dilution

| Bora Bait | + | WATER | = | FINISHED PRODUCT |
|------------|---|-------------|---|--------------------------|
| 5 fl. oz. | + | 25 fl. oz. | = | 1 Quart (approximately) |
| 20 fl. oz. | + | 100 fl. oz. | = | 1 Gallon (approximately) |
| 1 gallon | + | 5 gallons | = | 6 gallons |

2% Dilution

| Bora Bait | + | WATER | = | FINISHED PRODUCT |
|------------|---|------------|---|--------------------------|
| 10 fl. oz. | + | 20 fl. oz. | = | 1 Quart (approximately) |
| 42 fl. oz. | + | 84 fl. oz. | = | 1 Gallon (approximately) |
| 1 gallon | + | 2 gallons | = | 3 gallons |

BAIT STATIONS: Add the undiluted 5.4% or the diluted 2% or 1% Bora Bait Liquid Ant Bait solution into bait stations designed to hold liquid bait. Follow directions included with the bait stations to obtain best results.

{For product packaged and sold in pre-filled bait stations:}

{Choose locations where ant traffic is visible. Open bait station by holding the station with one hand and grabbing the snap tab with the other hand. Bend the snap tab back and forth while gently pulling until it breaks free from the main unit. While continuing to hold the station in place with one hand, gently pull the snap tab to activate. {may number each step if desired}}

SPRAY APPLICATIONS: Outdoors: Apply diluted bait as a spot or spray application to areas such as foundations, walls, fence posts, piers and other stationary structural components. **Indoors:** Apply diluted bait into cracks and crevices in kitchens, bathrooms, utility rooms and other areas. Do not over apply and do not let liquid seep out onto non target surfaces.

APPLICATION FOR FOOD PROCESSING AND HANDLING ESTABLISHMENTS, INCLUDING FEDERALLY INSPECTED POULTRY AND MEAT PLANTS: In food areas, only apply product into cracks, crevices and other inaccessible areas. Avoid contamination of food and feed stuffs. Cover or remove any food during application. Do not apply product directly onto a surface where food is prepared, served or stored. Any product left visible on a food surface after treatment should be removed and surface washed. In food handling and other areas, record the number and location of bait stations. This product is designed to be used as a residual treatment in an Integrated Pest Management program incorporating good sanitation practices.

Food Areas Include: Serving Areas, such as dining rooms, food storage areas, receiving areas, processing areas, including enclosed systems such as oil and syrup plants, mills and dairies; Packing Areas, including canning, bottling, wrapping and boxing; and Edible Waste Storage Areas. In these areas, direct product applications into cracks and crevices, such as along baseboards and between elements of construction. Do not allow product on any surfaces that may be contacted by food. Do not apply when facility is in operation or when food is exposed.

Non-Food areas include: bathrooms, locker rooms, offices, maintenance rooms, mechanical rooms, trash rooms, garages, janitorial closets, storage areas after bottling or canning and floor drains leading to sewer entries. In these areas, apply product as labeled for other non-food areas.

{Optional Use Directions for packages including bait trays}

Remove bottle from packaging. Unscrew cap and remove foil seal. Pour a few drops of liquid ant killer inside the bait tray and place where ants are seen. The use of several bait trays is recommended for optimal success. Inspect bait tray placements and re-apply liquid ant killer as needed.

Do not contaminate this product with other pesticides. If this product becomes contaminated with another pesticide it will lose its effectiveness. Do not apply directly to food and avoid contamination of feed and foodstuff. Do not treat pets with this product. Place in areas accessible to insects but inaccessible to children and pets.

{End of optional use directions}

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal.

STORAGE: Store in a cool dry place. Do not store where children or animals may gain access. **PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable Container. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

[Warranty Disclaimer

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. **TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

Inherent Risks of Use

The directions for use of this product are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions or the manner of use/application, all of which are beyond the control of the Manufacturer. The buyer/user assumes all such risks.

Limitation of Remedies

To the extent not prohibited by applicable law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

To the extent not prohibited by applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing; and b) **TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, IN NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR INJURIES.**

The terms of this **Warranty Disclaimer** and **Limitation of Remedies** cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this **Warranty Disclaimer** or **Limitation of Remedies** in any manner.

It is not intended that this product be used to practice any applicable patent, whether mentioned or not, without procurement of a license, if necessary, from the owner, following investigation by the user.]
