Subject: Registration Review Label Mitigation for Boric Acid
Product Name: Bora Bait Liquid Ant Bait
EPA Registration Number: 64405-23
Application Date: 7 Oct 2018
Decision Number: 554489

Dear Anna Crowder:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the Registration Review of the above referenced product in connection with the Boric Acid Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

A copy of your label stamped "Accepted" is enclosed. Products shipped after 12 months from the date of this amendment must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6.

Bora Bait™ Liquid Ant Bait

[ABN: DominAnt Liquid Ant Bait, DominAnt Ant Bait]

Active Ingredient:

Sodium Tetraborate Decahydrate (Borax)..... 5.40%

Other Ingredients: 94.60%

Total..... 100.00%

EPA Reg. No. 64405-23

EPA Est. _____

Net Contents: 0.25 ounces [oz.] through 250 gallons [gal.] [0.007 liters [L] [7.39 mL] through 946.4 liters [L]]

[Lot No. _____] {Per PR Notice 2007-4, the Batch Code or Lot Number will appear on the container or labeling}

Keep Out of Reach of Children

See Booklet [Outer Packaging] [Back of Original Packaging] [Package] [Side Panel] [Back Panel] for [Directions and Precautions] [First Aid and Precautionary Statements] [Complete Directions for Use].

{Note to reviewer: this product is sold in commercial and retail markets; all pack sizes greater than 1 gallon will not be sold in retail markets}

For Use In And Around (but not limited to): Apartments, boats, cafeterias, commercial and cruise ships, dairies, food processing plants, garages, grocery stores, homes, hospitals, hotels, institutional buildings, kennels, military bases, military ships, mills, mobile homes, motels, nursing homes, pet stores, public and private institutions, restaurants, schools, storage areas, supermarkets, theaters, vending machines, warehouses and zoos.

Attracts And Kills All Common Household Ants Including: Acrobat ants, Argentine ants, big-headed ants, cornfield ants, crazy ants, ghost ants, little black ants, odorous house ants, pavement ants, white-footed ants and other sweet-eating ants (except pharaoh, carpenter, fire and harvester ants).

PRECAUTIONARY STATEMENTS

Environmental Hazards: Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high-water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

Physical/Chemical Hazards: Do not mix or allow contact with an oxidizing agent. Hazardous chemical reaction may occur.

NOTICE

Read and understand the entire label before using.
Use only according to label directions.

Before buying or using this product, read the **Warranty Disclaimer** and **Limitation of Remedies** statements found elsewhere on this label. If terms are unacceptable, return unopened package to seller for full refund of purchase price. Otherwise, use by the buyer or any other user constitutes acceptance of the terms under the **Warranty Disclaimer** and **Limitation of Remedies**.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Use of this product for the control of bed bugs is prohibited.
Applications to carpets are prohibited.

Place bait in areas inaccessible to children and pets.

Use Restrictions

Do not contaminate this product with other pesticides. If this product becomes contaminated with another pesticide it will lose its effectiveness. Do not apply directly to food and do not contaminate feed and foodstuff. Do not treat pets with this product. Place [stations] in areas accessible to insects but inaccessible to children and pets.

Bora Bait Liquid Ant Bait may be used full strength or can be diluted with water to obtain a 1% or 2% solution. Use a 1% solution if evaporation is a concern and a 2% solution for large infestations. Use Bora Bait Liquid Ant Bait [this product] full strength for all other situations.

Dilution Instructions

1% Dilution: Add 1 part Bora Bait Liquid Ant Bait to 5 parts water. Mix thoroughly.

2% Dilution: Add 1 part Bora Bait Liquid Ant Bait to 2 parts water. Mix thoroughly.

1% Dilution

Bora Bait	+	WATER	=	FINISHED PRODUCT
5 fl. oz.	+	25 fl. oz.	=	1 Quart (approximately)
20 fl. oz.	+	100 fl. oz.	=	1 Gallon (approximately)
1 gallon	+	5 gallons	=	6 gallons

2% Dilution

Bora Bait	+	WATER	=	FINISHED PRODUCT
10 fl. oz.	+	20 fl. oz.	=	1 Quart (approximately)
42 fl. oz.	+	84 fl. oz.	=	1 Gallon (approximately)
1 gallon	+	2 gallons	=	3 gallons

Bait Stations: Add the undiluted 5.4% [full strength] or [as] [the] diluted [2% or 1%] [Bora Bait Liquid Ant Bait] solution into bait stations designed to hold liquid bait. Follow directions included with the bait stations to obtain best results.

{Optional Use Directions for packages including bait trays}**{To be used for packages including bait trays}**

[Remove bottle from packaging. Unscrew cap and remove foil seal. Tear off perforated bait trays. Pour a few drops of liquid ant killer [bait] inside the bait tray and place where ants are seen. The use of several bait trays is recommended for optimal success. Inspect bait tray placements and re-apply liquid ant killer [bait] as needed.

{Begin DFU for product packaged and sold in pre-filled bait stations. Choose from the following}**{To be used for pre-filled bait station design 1}**

- [1. Choose locations where ant traffic is visible.]
- [2. Cut along the indented line at the top using scissors to open the bait station]

[Choose locations where ant traffic is visible. Open bait station by holding the station with one hand and grabbing the snap tab with the other hand. Bend the snap tab back and forth while gently pulling until it breaks free from the main unit. While continuing to hold the station in place with one hand, gently pull the snap tab to activate. **{May appear as a numbered list if desired}**]

{To be used for pre-filled bait station design 2}

[To open bait station and expose the ant entry ports, hold one end of the station while bending the snap tab back. Place [station] in locations where ant traffic is visible.]

{End DFU for product packaged and sold in pre-filled bait stations}

{Spray application use patterns not permitted in California}

Spray Applications: Outdoors (Note: outdoor spray applications not permitted in California): Apply diluted bait as a spot or spray application to areas such as foundations, walls, fence posts, piers and other stationary structural components. **Indoors:** Apply diluted bait into cracks and crevices in kitchens, bathrooms, utility rooms and other areas. Do not over apply and do not let liquid seep out onto non target surfaces.

{Notice to Reviewer: crack and crevice treatment language is not intended for bait station use}

Application for Food Processing and Handling Establishments, Including Federally Inspected Poultry and Meat Plants: In food areas, only apply product into cracks, crevices and other inaccessible areas. Do not contaminate food and feed stuffs. Cover or remove any food during application. Do not apply product directly onto a surface where food is prepared, served or stored. Remove any product left visible on a food surface after treatment and wash surface. In food handling and other areas, record the number and location of bait stations. This product is designed to be used as a residual treatment in an Integrated Pest Management program incorporating good sanitation practices.

Food Areas Include: Serving Areas, such as dining rooms, food storage areas, receiving areas, processing areas, including enclosed systems such as oil and syrup plants, mills and dairies; Packing Areas, including canning, bottling, wrapping and boxing; and Edible Waste Storage Areas. In these areas, direct product applications into cracks and crevices, such as along baseboards and between elements of construction. Do not allow product on any surfaces that may be contacted by food. Do not apply when facility is in operation or when food is exposed. Remove any product left visible on a food surface after treatment and wash surface.

Non-Food areas include: bathrooms, locker rooms, offices, maintenance rooms, mechanical rooms, trash rooms, garages, janitorial closets, storage areas after bottling or canning and floor drains leading to sewer entries. In these areas, apply product as labeled for other non-food areas.

{S&D to be used for all household/residential products}

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool dry place. Do not store where children or animals may gain access. **PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable Container. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

{S&D to be used for rigid, nonrefillable containers of ≤ 5 gallons}

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Store in a cool dry place. Do not store where children or animals may gain access. **Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility. **Container Handling:** Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

{S&D to be used for rigid, nonrefillable containers of ≥ 5 gallons}

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Store in a cool dry place. Do not store where children or animals may gain access. **Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility. **Container Handling:** Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

{Option 1}

[Warranty Disclaimer

To the extent not prohibited by applicable law, Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. To the extent not prohibited by applicable law, **MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

Inherent Risks of Use

The directions for use of this product are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions or the manner of use/application, all of which are beyond the control of the Manufacturer. To the extent not prohibited by applicable law, the buyer/user assumes all such risks.

Limitation of Remedies

To the extent not prohibited by applicable law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

To the extent not prohibited by applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing; and b) **TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, IN NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR INJURIES.**

The terms of this **Warranty Disclaimer** and **Limitation of Remedies** cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this **Warranty Disclaimer** or **Limitation of Remedies** in any manner.

It is not intended that this product be used to practice any applicable patent, whether mentioned or not, without procurement of a license, if necessary, from the owner, following investigation by the user.]
