Subject: Notification per PRN 98-10 – Adding language requested by California; updating warranty; updating package size; adding optional graphics; adding alternate directions for opening bait stations; correcting typos  
Product Name: Bora Bait 1% Liquid Ant Bait  
EPA Registration Number: 64405-24  
Application Date: March 9, 2015  
Decision Number: 502278

Dear Dr. Kintz-Early:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

If you have any questions, you may contact Julie Chao at (703) 308-8735 or via email at [chao.julie@epa.gov](mailto:chao.julie@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Kable Bo Davis".

Kable Bo Davis, Product Manager 03  
Invertebrate & Vertebrate Branch 1  
Registration Division (7505P)

# Bora Bait™ 1% Liquid Ant Bait

[ABN: DominAnt 1% Liquid Ant Bait]

## NOTIFICATION

64405-24

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

4/2/2015

**Active Ingredient:**

Sodium Tetraborate Decahydrate (Borax)..... 1.0%

**Other Ingredients:** ..... 99.00%

**Total**..... 100.00%

EPA Reg. No. 64405-24

EPA Est. 64405-TN-1

**Net Contents:** 4 0.25 ounces [oz.] through 250 gallons [gal.] [0.007 liters [L]] [7.39 mL] through 946.4 liters [L]

[Lot No. \_\_\_\_\_] [Per PR Notice 2007-4, the Batch Code or Lot Number will appear on the container or labeling]

**Keep Out of Reach of Children**

**See Booklet [Outer Packaging] [Back of Original Packaging] [Package] [Side Panel] [Back Panel] for [Directions and Precautions] [First Aid and Precautionary Statements] [Complete Directions for Use].**

*{Note to reviewer: this product is sold in commercial and retail markets, all pack sizes greater than 1 gallon will not be sold in retail markets}*

**For Use In And Around:** Apartments, boats, cafeterias, commercial and cruise ships, food processing plants, garages, grocery stores, homes, hospitals, hotels, institutional buildings, kennels, military bases, military ships, mills, mobile homes, motels, nursing homes, pet stores, public and private institutions, restaurants, schools, storage areas, supermarkets, theaters, vending machines, warehouses and zoos.

**Apply Near, On Or Into:** Appliances, bathrooms, baseboards, corners, cracks, crawl spaces, crevices, decks, dining rooms, edible waste storage areas, fences, floors, food storage areas, foundations, garages, kitchens, janitorial closets, loading docks, liquid baits stations, locker rooms, maintenance rooms, mechanical rooms, offices, packing areas, pallets, piers, processing areas, receiving areas, storage areas, trash rooms, trees, utility rooms, vending machines, walls and other areas ants may forage.

**Attracts And Kills All Common Household Ants Including** (except pharaoh, carpenter, fire and harvester ants): Acrobat ants, Argentine ants, big-headed ants, cornfield ants, crazy ants, ghost ants, little black ants, odorous house ants, pavement ants, white-footed ants and other sweet-eating ants.

### Precautionary Statements

**Environmental Hazards:** Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high-water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

**Physical/Chemical Hazards:** Do not mix or allow contact with an oxidizing agent. Hazardous chemical reaction may occur.

### NOTICE

Read and understand the entire label before using.

Use only according to label directions.

Before buying or using this product, read the *Warranty Disclaimer* and *Limitation of Remedies* statements found elsewhere on this label. If terms are unacceptable, return unopened package to seller for full refund of purchase price. Otherwise, use by the buyer or any other user constitutes acceptance of the terms under the *Warranty Disclaimer* and *Limitation of Remedies*.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Place bait in areas inaccessible to children and pets.

Bora Bait 1% Liquid Ant Bait is a ready-to-use solution for control of very large, multi-queen or multi-colony ant infestations.

**Bait Stations:** Add Bora Bait 1% Liquid Ant Bait solution into bait stations designed to hold liquid bait. Follow directions included with the bait stations to obtain best results.

*{For product packaged and sold in pre-filled bait stations. **Choose from the following:**}*

**{Option 1:}**

[Choose locations where ant traffic is visible. Open bait station by holding the station with one hand and grabbing the snap tab with the other hand. Bend the snap tab back and forth while gently pulling until it breaks free from the main unit. While continuing to hold the station in place with one hand, gently pull the snap tab to activate. *{may number each step if desired}*]

**{Option 2:}**

[To open bait station and expose the ant entry ports, locate perforated line on the flat side of the bait station. Hold one end of the station while bending the snap tab back along the perforated line. Do not break the snap tab off of bait station. Place station in locations where ant traffic is visible.]

*{End DFU for product packaged and sold in pre-filled bait stations:}*

***{Spray application use patterns not permitted in California and will not appear on the CA market label:}***

**Spray Applications: Outdoors:** Apply bait as a spot or spray application to areas such as foundations, walls, fence posts, piers and other stationary structural components. **Indoors:** Apply bait into cracks and crevices in kitchens, bathrooms, utility rooms and other areas. Do not over-apply and do not let liquid seep out onto non-target surfaces.

**Application for Food Processing and Handling Establishments, Including Federally Inspected Poultry And Meat Plants: In food areas, only apply product into cracks, crevices and other inaccessible areas.** Avoid contamination of food and feed stuffs. Cover or remove any food during application. Do not apply product directly onto a surface where food is prepared, served or stored. Any product left visible on a food surface after treatment should be removed and surface washed. In food handling and other areas, record the number and location of bait stations. This product is designed to be used as a residual treatment in an Integrated Pest Management program incorporating good sanitation practices.

**Food Areas Include:** Serving Areas, such as dining rooms, food storage areas, receiving areas, processing areas, including enclosed systems such as oil and syrup plants, mills; Packing Areas, including canning, bottling, wrapping and boxing; and Edible Waste Storage Areas. In these areas, direct product applications into cracks and crevices, such as along baseboards and between elements of construction. Do not allow product on any surfaces that may be contacted by food. Do not apply when facility is in operation or when food is exposed.

**Non-Food areas include:** bathrooms, locker rooms, offices, maintenance rooms, mechanical rooms, trash rooms, garages, janitorial closets, storage areas after bottling or canning and floor drains leading to sewer entries. In these areas, apply product as labeled for other non-food areas.

***{S&D to be used for all household/residential products}***

**Storage and Disposal**

Do not contaminate water, food, or feed by storage and disposal.

**STORAGE:** Store in a cool dry place. Do not store where children or animals may gain access. **PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable Container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

***{S&D to be used for rigid, nonrefillable containers of ≤ 5 gallons}***

**Storage and Disposal**

Do not contaminate water, food, or feed by storage and disposal.

**Storage:** Store in a cool dry place. Do not store where children or animals may gain access. **Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility. **Container Handling:** Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Do not reuse or refill this container. **If empty:** Place

in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

*{S&D to be used for rigid, nonrefillable containers of ≥ 5 gallons}*

#### Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal.

**Storage:** Store in a cool dry place. Do not store where children or animals may gain access. **Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility. **Container Handling:** Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

#### [Warranty Disclaimer

**To the extent not prohibited by applicable law,** Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. **To the extent not prohibited by applicable law, MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

#### Inherent Risks of Use

The directions for use ~~of this product~~ are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions or the manner of ~~use~~ application, all of which are beyond the control of the Manufacturer. **To the extent not prohibited by applicable law,** the buyer/user assumes all such risks.

#### Limitation of Remedies

To the extent not prohibited by applicable law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

To the extent not prohibited by applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing; and b) **TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, IN NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR INJURIES.**

The terms of this **Warranty Disclaimer** and **Limitation of Remedies** cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this **Warranty Disclaimer** or **Limitation of Remedies** in any manner.

It is not intended that this product be used to practice any applicable patent, whether mentioned or not, without procurement of a license, if necessary, from the owner, following investigation by the user.]
