

U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (7505P)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. Number:

64405-27

Date of Issuance:

12/22/2014

NOTICE OF PESTICIDE:

Registration  
 Reregistration  
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Boric Acid EU

Name and Address of Registrant (include ZIP Code):

Dr. Janet Kintz-Early  
Nisus Corporation  
100 Nisus Drive  
Rockford, TN 37853

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Kable Bo Davis, Product Manager 3  
Invertebrate and Vertebrate Branch, Registration Division  
(7505P)

Date:

12/22/2014

2. You are required to comply with the data requirements described in the DCI or EDSP Order identified below:

a. Boric Acid GDCI-011001-948

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCI listed above, you may contact the Chemical Review Manager in the Pesticide Reevaluation Division: [http://www.epa.gov/oppsrrd1/contacts\\_prd.htm](http://www.epa.gov/oppsrrd1/contacts_prd.htm)

3. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.

4. Make the following label changes before you release the product for shipment:

- Revise the EPA Registration Number to read, "EPA Reg. No. 64405-27."

5. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 12/30/2013

If you have any questions, please contact Autumn Metzger at (703) 305-5314 or [metzger.autumn@epa.gov](mailto:metzger.autumn@epa.gov).

EPA Est. \_\_\_\_\_

Net Wt. \_\_\_\_\_  
{1 lb through 25 lbs}

## FIRST AID

<b>If Swallowed:</b>	<ul style="list-style-type: none"><li>• Call a poison control center or doctor immediately for treatment advice.</li><li>• Have person sip a glass of water if able to swallow.</li><li>• Do not induce vomiting unless told to do so by a poison control center or doctor.</li><li>• Do not give anything by mouth to an unconscious person.</li></ul>
----------------------	---

In case of emergency, call a poison control center or doctor for treatment advice. Have the product container or label with you when calling or going for treatment. You may also contact 800-424-9300 for emergency medical treatment information. [For non-emergency information concerning this product, call the National Pesticides Information Center (NPIC) at 1-800-858-7378 (NPIC web site: [www.npic.orst.edu](http://www.npic.orst.edu)).]

*{Note: The First Aid statements may appear in a paragraph format if market label space does not permit the grid format.}*

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

**CAUTION:** Harmful if swallowed. Causes moderate eye irritation. Avoid with contact eyes or clothing. Wash thoroughly with soap and water after handling, before eating, drinking, chewing gum, using the toilet or using tobacco.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

### Use Restrictions

- Do not apply in areas accessible to children and pets.
- Do not introduce the product into the air.

- Any visible powder outside of a crack or crevice treatment area must be removed.
- This product can only be applied as a mop, spot or crack and crevice treatment in food areas. Any visible powder must be removed and the exposed surface washed.
- Do not contaminate of food or feedstuffs. Do not apply in areas where food is exposed.
- Do not apply powder to a surface if it is likely to be contacted by food.

### Application Directions

**For use in and around** agricultural, animal rearing and handling establishments, commercial, daycare, educational, food handling and food processing establishments, garages, healthcare, hospitality industrial, institutional, multi-family, municipal, new building construction, poultry houses, recreational, research, residential and other man-made structures, transport vehicles and sewers

**Application Sites include** around, behind, in or under: appliances, attics, baseboards, cabinets voids, around counters, cracks, crawl spaces, crevices, door frames, drawer wells, perimeter of dropped ceilings, eaves, electrical conduits, elevator pits, garbage chutes, hinges, pipe chases, plumbing voids, sinks, trim, tubs, trash closets, utility closets, vending machines, vent stacks, walls and wall voids

**For Void, Spot, Crack and Crevices Treatments:** Apply Boric Acid EU at rate of [up to] 1 lb. per 1 000 sq. ft. Apply powder where insects may harbor and where insects or signs of insects have been seen.

**Attics-** apply powder near the eaves, vent pipes and around any pipes or potential access points between the attic and the main structure.

**Cabinetry and Drawers-** drill small holes to access the space between the lower cabinets and the kick plate if necessary. Dust powder in drawer wells after removing kitchen and bathroom cabinet bottom drawers. Leave no exposed powder after drawers are replaced.

**Wall voids-** move metal collars surrounding pipes and remove electrical switch plate covers to allow access to voids. Do not apply product directly into electrical boxes.

**Cracks and Crevices-** Lightly dust cracks and crevices. To prevent re-infestation, seal cracks or crevices after infestation has been eliminated.

**Poultry Houses for Darkling Beetle Control-** Do not apply when any birds or other animals are present. After product application and before re-introducing birds, apply at least 4 inches of fresh litter to all floor areas. Apply product at a rate of 1-2 lbs. per 100 sq. ft. over floor or old litter. Product should also be applied to wall voids, framing and insulation. Do not apply directly to manure piles or pits.

### Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store in a cool, dry place away from heat and inaccessible to children and pets.

**Pesticide Disposal:** Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Handling:** Non-refillable container; do not reuse or refill this container. Completely empty bags into application equipment. Offer for recycling, if available; otherwise dispose of empty bag in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

*{The Batch Code or Lot Number will appear either on the container or labeling per PR Notice 2007-4}*

### WARRANTY DISCLAIMER

To the extent not prohibited by applicable law, Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. To the extent not prohibited by applicable law, **MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

### Inherent Risks of Use

The directions for use are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions or the manner of application, all of which are beyond the control of the Manufacturer. To the extent not prohibited by applicable law, the buyer/user assumes all such risks.

### Limitation of Remedies

To the extent not prohibited by applicable law the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

To the extent not prohibited by applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing; and b) **TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW IN NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR INJURIES.**

The terms of this **Warranty Disclaimer** and **Limitation of Remedies** cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this **Warranty Disclaimer** or **Limitation of Remedies** in any manner.

It is not intended that this product be used to practice any applicable patent, whether mentioned or not, without procurement of a license, if necessary, from the owner, following investigation by the user.
