UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Biopesticides and Pollution Prevention Division (7511W)
401 M Street, S.W.
Washington, DC 20460

EPA Reg. Number:
64439-2

Date of Issuance:
JAN 12 1999

NOTICE OF PESTICIDE:

X Registration
Reregistration
(under FIFRA, as amended)

Term of Issuance: Unconditional

Name of Pesticide Product:
Gopher Med

Name and Address of Registrant (include ZIP Code):
Mole Med Inc.
P.O. Box 333
Aurora, IN 47001

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The Food Quality Protection Act (FQPA) was signed into law on August 3, 1996. Although full implementation of FQPA has not been achieved, the Agency has no reason to believe that the registration of this product will, in any way, violate the terms of the Act. If EPA determines, as a result of the FQPA implementation process, that the decision to register this product is no longer appropriate, the Agency will consider itself free to pursue whatever action may be appropriate, including, but not limited to, reconsideration of the registration decision.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

- 1. Submit and /or cite all data required for registration/reregistration of your product under FIFRA Sec.3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA Sec.4.
2. Submit one copy of the final printed labeling before you release the product for shipment.
3. Make the labeling changes listed below before you release the product for shipment:
-- Add the phrase "EPA Registration No.64439-2" .

Signature of Approving Official: See page 2 for signature of approving official

Date: JAN 12 1999

EPA Form 8570-6

CONCURRENCES

Table with columns for SYMBOL, SURNAME, and DATE, containing handwritten entries for 7511C, R. Fox, and dates 1/12/99.

-- In order to avoid unnecessary confusion regarding this product and Mole Med, (EPA Reg. No. 64439-1), we request that you formally withdraw the alternative brand name Gopher Med (Accepted in our letter dated July 7, 1998).

This registration will be subject to cancellation in accordance with FIFRA sec. 6(e) if you do not comply with these conditions. Your release for shipment constitutes acceptance of these conditions.

A stamped copy of the draft label is enclosed for your records.

Any questions may be directed to Richard King, Regulatory Action Leader for this action, at (703) 308-8052, fax (703) 308-7026.

Sincerely,

Janet L. Andersen, Ph.D.
Director
Biopesticides and Pollution
Prevention Division (7511C)

APPLY WITH YOUR GARDEN HOSE.

ING GOPHER-MED®:

to be treated is dry, water the area applying GOPHER-MED. GOPHER-MED to the ENTIRE area to be covered thoroughly.

Areas should be done in sections starting at one point and working toward the "exit" point of the total area treated. Application, soak in with water using hose for about 15 minutes. Avoid using water that may flow off turf into streams, gutters or storm sewers.

Activity may increase as gophers leave the treated area.

Treated areas may require additional applications.

In the event of heavy rainfall occurs right after application, it may be necessary to repeat application.

Gopher Repellent

Box 333 Aurora, IN 47001
