Cheryl R. Montgomery, Ph.D.
C.R. Montgomery & Associates
P.O. Box 1243
East Arlington, MA 02174-0021

Dear Dr. Montgomery:

Subject: Revised Labeling and Confidential Statements of Formula
Skedaddle! 4-Hour Insect Protection
EPA Registration Number 64583-1
Submissions Dated July 14, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, subject to the comments listed below:

1. As indicated in the Agency's letter dated August 24, 1992, the term "new" for this product must be eliminated. The Agency does not allow a reference to "new" on a product after one year of registration.
2. Add the statement "Wash treated clothing." to the Directions for Use section.
3. Provide a clarification regarding the removal of the Contraindications Statement.

The confidential statement of formula (dated July 12, 1995) is not acceptable. The total weight of each component in the formulation sums to greater than 100 pounds, although the total weight box states otherwise.

If you have any questions or comments, please contact me at (703) 305-6788.

Sincerely,

RPK

Richard P. Keigwin, Jr.

Skedaddle!

4 Hour Insect Protection

A new, revolutionary kind of insect protection. Our "controlled release" technology provides long-lasting repellency with only 10.0% of the active repelling ingredient. You have got try it to believe it!

INDICATIONS: For protection from mosquitoes, ticks (including ticks that may carry Lyme Disease), biting flies, chiggers, fleas, gnats and no-see-ums. A single application provides effective repellency for four hours.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling. Read all directions before using this product. Use just enough product to cover exposed skin areas. Apply to hand for application to face and neck and rub on. Avoid overexposure. Frequent re-application and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water.

PRECAUTIONARY STATEMENTS: Hazards to Humans. CAUTION: For external use only. Causes moderate but temporary eye injury. Avoid contact with eyes. Do not apply to eyes or mouth and do not apply to the hands of young children. Do not use under clothing. Do not apply over cuts, wounds, or irritated skin. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor take this product with you. If in eyes: Flush with plenty of water. If irritation persists get medical attention.

STORAGE: Store away from heat in an area inaccessible to children.

DISPOSAL: Do not reuse empty container. Immerse empty container in water, rinse thoroughly three times, and offer to your local recycling program or wrap in paper and discard in trash.
