64583-2

Date of Issuance:

23 DEC 1992

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

LittlePoint Insect Repellent II

Name and Address of Registrant (include ZIP Code):

LittlePoint Corporation
25 First Street
Cambridge, MA 02141

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 64583-2".
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**LittlePoint Insect Repellent II
Insect Protection for Children**

A new, revolutionary kind of insect protection. Our "controlled release" technology provides 2-hour repellency with only 6.5% of the active repelling ingredient.
You've got to try it to believe it!

INDICATIONS: For protection from mosquitoes, ticks (including ticks that may carry Lyme Disease), biting flies, chiggers, fleas, gnats, and no-see-ums. A single application provides effective repellency for two hours. Frequent reapplication and saturation is unnecessary for effectiveness.

CONTRAINDICATIONS: Do not use this product on individuals who exhibit skin irritation or topical allergies to soy products.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling. **Read all directions before using this product.** Adults should instruct and closely supervise children in the proper use of this product.

***DOSAGE:** Do not use on infants without first consulting a physician. Avoid over-exposure. Do not exceed recommended dose. Use just enough product to cover exposed skin. After returning indoors, wash treated skin with soap and water. Use the chart below as a guide to determine the proper amount to apply. Squeeze into one hand 3 ml* of product, an amount equal in area (length and width) to the [color]-shaded chart below. Rub hands together and apply thoroughly in a thin layer to exposed skin areas: neck, forearms, legs. To obtain the 6 ml dose, repeat the above procedure once.

* 3 ML AREA (SHADED(COLOR))			
AGE	WEIGHT	APPLICATION	DOSE
UNDER 2 YEARS	UNDER 28 LBS	CONSULT PHYSICIAN	---
2-6 YEARS	28-48 LBS.	ONE MEASURED 3 ML AREA	3 ML
6-12 YEARS	OVER 48 LBS.	TWO MEASURED 3 ML AREAS	6 ML

PRECAUTIONARY STATEMENTS: Hazards to Humans.CAUTION: For external use only. Causes moderate but temporary eye injury. Avoid contact with eyes. Do not apply to eyes or mouth and do not apply to the hands of young children. Do not use under clothing. Do not apply over cuts, wounds, or irritated skin. Use of this product may cause skin reactions in rare cases. If you suspect your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor take this product with you. If in eyes: Flush with plenty of water. If irritation persists get medical attention.

STORAGE: Store away from heat in an area inaccessible to children.

DISPOSAL: Do not reuse empty container. Immerse empty container in water, rinse thoroughly three times, and offer to your local recycling program or wrap in paper and discard in trash.
