Skedaddle!®

Insect Protection for Children **SPF XX.**

A revolutionary kind of insect protection.
Our "controlled release" technology provides
2-hour repellency with only 6.5% of the active
repelling ingredient. **And a sunblock ingredient
protects from the harmful rays of the sun to help
prevent skin damage.**

INDICATIONS: For protection from mosquitoes, ticks
(including ticks that may carry Lyme Disease), biting flies,
chiggers, fleas, gnats and no-see-ums. A single application
provides effective repellency for two hours. **Filters out the
sun's burning rays to prevent sunburn.**

DIRECTIONS FOR USE: It is a violation of federal law to
use this product in a manner inconsistent with its labeling.
Read all directions before using this product. Adults
should instruct and closely supervise children in the proper
use of this product. Do not use on infants without first
consulting a physician. Use just enough product to cover
exposed skin areas. Apply to hand for application to face
and neck and rub on. Avoid overexposure. Frequent
reapplication and saturation is unnecessary for
effectiveness. After returning indoors, wash treated skin
with soap and water. Wash treated clothing.

PRECAUTIONARY STATEMENTS: Hazards to Humans.
CAUTION: For external use only. Causes moderate but
temporary eye injury. Avoid contact with eyes. Do not apply to
eyes or mouth and do not apply to the hands of young children.
Do not use under clothing. Do not apply over cuts, wounds or
irritated skin. Use of this product may cause skin reactions in
rare cases. If you suspect that you or your child is reacting to
this product, wash treated skin and call your local poison
control center. If you go to a doctor take this product with
you. If in eyes: Flush with plenty of water. If irritation persists
get medical attention.

STORAGE: Store away from heat in an area inaccessible
to children. **DISPOSAL:** Do not reuse empty container.
Immerse empty container in water, rinse thoroughly three
times, and offer to your local recycling program or wrap in
paper and discard in trash.
